

SUNDAY 25 SEPTEMBER

4.00pm–6.00pm Registration Open: National Convention Centre Foyer, Canberra

MONDAY 26 SEPTEMBER

7.00am	Registration								
8.00am–10.00am	HIV/AIDS Conference Opening Ceremony Royal Theatre Chairs: Greg Dore and Tuck Meng Soo								
8.10am–8.15am	Welcome to Country Matilda House								
8.15am–8.20am	Welcome by ASHM President Professor Greg Dore, The Kirby Institute, Sydney, NSW, Australia								
8.20am–8.25am	Welcome by Government Representative Speaker TBC								
8.25am–8.30am	Welcome by AFAO Dr Graham Brown, AFAO President, VIC, Australia								
8.30am–8.35am	Welcome by NAPWA Robert Mitchell, NAPWA President, Sydney, NSW, Australia								
8.35am–8.40am	Welcome by Conference Convenor Dr Tuck Meng Soo, Practice Principal, Interchange General Practice, Canberra								
8.40am–9.10am	Silence speaks volumes: HIV/AIDS and politics in highlands Papua, Indonesia Dr Leslie Butt, Associate Professor, Department of Pacific & Asian Studies, University of Victoria, Canada								
9.10am–9.35am	HIV prevention for people living with HIV: Why dignity and health must come first Edwin J Bernard, Writer, Editor, Policy Consultant (GNP+, NAM, NAT, UNAIDS), UK								
9.35am–10.00am	“Mino-Bimaadiziwin” and the Way of the Good Life in Research: Reflecting on Using Indigenous Approaches to HIV Research Randy Jackson, Scholar in Residence, Canadian Aboriginal AIDS Network (CAAN), Ontario, Canada								
10.00am–10.30am	Morning Tea in Exhibition and Poster Area Exhibition Hall								
10.30am–12.00pm	ARV Guidelines Symposium Royal Theatre Chairs: Jeffrey Post and Mark Kelly	10.30am–12.00pm	Theme D Symposium: Role of Culture Bradman Theatre Chairs: Heather Worth	10.30am–12.00pm	Theme C Proffered Paper Session: Let Prevention Flowers Bloom Menzies Theatre Chairs: Gary Boddy and Mark Stoove	10.30am–12.00pm	Theme A Proffered Paper Session: Immunology Nicholls Theatre Chairs: Stuart Turville and Charani Ranasinghe	10.30am–12.00pm	Satellite Session: United Nation's declaration on AIDS 2011 – Involvement of Australia and Implications for the national HIV response Sutherland Theatre Chairs: Mr Robert Mitchell
10.30am–11.00am	Indications for switching ART in 2011 Dr Dan Kuritzkes, Director of AIDS Research, Brigham and Women's Hospital, Professor of Medicine, Harvard Medical School, USA	10.30am–10.50am	Can You Keep a Secret? Culture, Confidentiality, and HIV/AIDS in Papua, Indonesia Dr Leslie Butt, Associate Professor, Department of Pacific and Asian Studies, University of Victoria, Canada	10.30am–10.45am	Monitoring HIV transmission using the BED assay Ms Ann McDonald	10.30am–10.45am	The PI3K signaling pathway is critical for HIV integration in latently infected resting CD4+T-cells Dr Suha Saleh	10.30am–10.50am	Significance of the UN Declaration to the global and domestic HIV response Mr Bill Whittaker, Pacific Friends of the Global Fund & NAPWA Special representative, NSW, Australia
				10.45am–11.00am	Underlying perspectives of risk and HIV and engagement with HIV social marketing among gay men in the PASH study Dr Graham Brown	10.45am–11.00am	SIV infects follicular helper T cells in lymph nodes during pathogenic infection of pigtail macaques Dr John Zaunders		

11.00am–11.30am	Timing of antiretroviral therapy initiation in the setting of opportunistic infections Dr Julian Elliott, The Alfred Hospital, Melbourne, VIC, Australia	10.50am–11.05am	Revisiting the notion of safe sex culture' 25 years on Professor Gary Dowsett, Professor & Deputy Director, Australian Research Centre in Sex, Health & Society, Melbourne, VIC, Australia	11.00am–11.15am	Increasing proportions of newly acquired HIV infections in Victoria Ms Anita Feigin	11.00am–11.15am	Eradication of HIV: Estimating the lifespan of latently infected cells using 'escape clock' Dr Janka Petravic	10.50am–11.10am	Important actions for Australia Professor Michael Kidd, Flinders University, Adelaide, SA, Australia
		11.05am–11.20am	"In our culture" Talk about the Tongan Way and reflections on our own Karen McMillan International HIV Research Group, School of Public Health and Community Medicine, University of New South Wales, NSW, Australia	11.15am–11.30am	Is optimism enough? Associate Professor Garrett Prestage	11.15am–11.30am	The effect of IL-7 on HIV infection on naïve CD4+ T-cell subsets Ms Gabriela Khoury	11.10am–11.30am	How AusAID will address the targets and outcomes of the UN Declaration Speaker TBC, AusAID
11.30am–12.00pm	ART and renal disease Dr Michelle Giles, The Alfred Hospital, Melbourne, VIC, Australia Panel: Dr Dan Kuritzkes, Professor Jenny Hoy and Dr Gail Matthews	11.20am–11.35am	Cultural Respect and Communication Guide Robert Monaghan, NSW Aboriginal Sexual Health Coordinator, NSW, Australia	11.30am–11.45am	HIV Stigma in Australia: Qualitative results from a study of the effects of stigma on gay men living with HIV Dr Sean Slavin	11.30am–11.45am	Post integration events in an in vitro model of chemokine induced HIV latency Dr Suha Saleh	11.30am–12.00pm	Discussion
		11.35am–12.00pm	Discussion	11.45am–12.00pm	Discussion	11.45am–12.00pm	Discussion		
12.00pm–1.00pm	Lunch in Exhibition and Poster Area Exhibition Hall								
12.45pm–1.45pm	Masterclasses, Satellite Sessions, Oral Posters, Poster Viewing and Auxiliary Meetings Time								
	Workshop: Basic HIV Science for basically anyone Facilitators: Damian Purcell and Patricia Price Menzies Theatre								
	Averting a crisis in Aboriginal health: HIV where we are at, where have we got to get to? Facilitator: James Ward Nicholls Theatre								
2.00pm–3.30pm	Theme B Proffered Paper Session: Co-morbidities and HIV Royal Theatre Chairs: Ashley Watson and Julian Elliott	2.00pm–3.30pm	Theme C Proffered Paper Session: Sex and Risk Bradman Theatre Chairs: Geoff Honnor and Iryna Zablotska	2.00pm–3.30pm	Theme D Proffered Paper Session: HIV Services and Societies in the Pacific Menzies Theatre Chairs: Lesley Butt and Edward Reis	2.00pm–3.30pm	Theme A Symposium: Immunology and HIV prevention at the mucosal surface Nicholls Theatre Chair: Anthony Kelleher	2.00pm–3.30pm	Symposium: Ensuring an Adequate Response to Australia's First Peoples Sutherland Theatre Chairs: Mark Saunders and Basil Donovan
2.00pm–2.15pm	Impact of HIV-associated conditions on mortality in people commencing anti-retroviral therapy in low-income countries Dr Catherine Marshall	2.00pm–2.15pm	HIV incidence trends by Australian jurisdiction reveal a marked rise in Queensland: An extended back-projection analysis of men who have sex with men Kylie-Ann Mallitt	2.00pm–2.15pm	Love patrol: Hemi taf tumas! Ms Robyn Drysdale	2.00pm–2.30pm	Lactic acid: A Natural Microbicide in the Female Genital Tract Associate Professor Gilda Tachedjian, NHMRC Senior Research Fellow, Head Retroviral Biology and Antivirals Laboratory, Centre for Virology, Burnet Institute, VIC, Australia	2.00pm–2.15pm	HIV diagnoses in Indigenous peoples: Comparison of Australia, Canada and New Zealand Mr James Ward, Program Head, Senior Lecturer, Aboriginal and Torres Strait Islander Health Program, The Kirby Institute, Sydney, NSW, Australia
2.15pm–2.30pm	Incidence of HIV-associated conditions following initiation of anti-retroviral therapy in low-income countries Dr Catherine Marshall	2.15pm–2.30pm	Rates of condom use and other risk reduction practices among HIV-negative and HIV-positive gay men in Australia: Analysis of the Gay Community Periodic Surveys, 2007-2009 Dr Martin Holt	2.15pm–2.30pm	'Going to town': Sex work and social life in Port Vila Ms Karen McMillan			2.15pm–2.30pm	HIV in Aboriginal Australians: Prevention in prison settings should be a key focus Mary-Ellen Harrod, The Kirby Institute, Sydney, NSW, Australia
2.30pm–2.45pm	HIV-infected patients with cryptococcal meningitis who attain CSF sterility pre-ART commencement experience improved outcomes in the first 24 weeks Dr Christina Chang	2.30pm–2.45pm	Increased rates of routine screening for Syphilis as part of HIV monitoring in men who have sex with men and its impact on Syphilis prevalence Carol El-Hayek	2.30pm–2.45pm	The PNG HIV Model: Explaining the past, describing the present, and forecasting the future Richard Gray	2.30pm–3.00pm	Passive antibody transfer studies to guide the design of HIV-1 vaccines Professor John Moore, Professor of Microbiology and Immunology, Weill Cornell Medical College, New York, USA	2.30pm–2.45pm	Comparison of patterns of HIV diagnosis in the Aboriginal and the non-Indigenous population in Australia, 1992–2009 Ann McDonald, The Kirby Institute, Sydney, NSW, Australia
2.45pm–3.00pm	Interferon-gamma release assay screening for latent tuberculosis infection in HIV-infected individuals: Is routine testing worthwhile in Australia? Dr Joseph Doyle	2.45pm–3.00pm	Increased rates of Syphilis testing and their impact on rates of Syphilis positivity in HIV negative men who have sex with men Carol El-Hayek	2.45pm–3.00pm	Providing HIV Clinical Services in Rural Papua New Guinea through a Public-Private Partnership Mr Michael Conlon			2.45pm–3.00pm	A structured and sustained response to surveillance for HIV in remote indigenous communities in South Australia Dr Rae-Lin Huang, STI Control and HIV Prevention Co-ordinator, Nganampa Health Council, Alice Springs, NT, Australia

3.00pm–3.15pm	Cancers in the Australian HIV Observational Database (AHOD) Dr Kathy Petoumenos	3.00pm–3.15pm	Desire and risk: Sick, bad or 'hot'? Associate Professor Garrett Prestage	3.00pm–3.15pm	Determinants for Fertility Desires of HIV Positive Women Living in the Western Highlands Province of Papua New Guinea Dr Marie Lucy Aska	3.00pm–3.30pm	The Role of the gut in HIV infection Professor Miles Davenport, University of New South Wales, Sydney, NSW, Australia	3.00pm–3.15pm	In it for the long haul - developing and maintaining effective HIV services for rural and remote Aboriginal people Dr Rosemary McGuckin, Medical Practitioner, Carnarvon, WA, Australia
3.15pm–3.30pm	Discussion	3.15pm–3.30pm	Discussion	3.15pm–3.30pm	'Stronger or tougher': Reasons for penile cutting in Papua New Guinea Ms Rachael Tommbe and David MacLaren			3.15pm–3.30pm	Far North Queensland and the PNG Border–The HIV Response Associate Professor Darren Russell, Director of Sexual Health, Cairns Sexual Health Service, Cairns and James Cook University and Melbourne University, Australia
3.30pm–4.00pm	Afternoon Tea in Exhibition and Poster Area Exhibition Hall								
4.00pm–5.30pm	Theme B Symposium: HIV/Hepatitis co-infection Royal Theatre Chairs: Michelle Giles and Sharon Lewin	4.00pm–5.30pm	Theme C Proffered Paper Session: Pills and Prevention Bradman Theatre Chairs: Andrew Grulich and Rob Lake	4.00pm–5.30pm	Theme D Proffered Paper Session: Race and Risk: HIV in Asia and Australia Menziess Theatre Chairs: Victor Tawil and Timothy Mackay	4.00pm–5.30pm	Theme A Proffered Paper Session: Vaccines Nicholls Theatre Chairs: Damian Purcell and Martyn French	4.00pm–5.30pm	Satellite Session: Approaches and Challenges in Different HIV Epidemics Sutherland Theatre Chairs: Edward Reis
4.00pm–4.30pm	HIV/HCV coinfection: Treatment decision making in a new era Dr Gail Matthews, Consultant Physician and Senior Lecturer, The Kirby Institute, Sydney, NSW, Australia	4.00pm–4.15pm	HIV treatment as prevention: Is it a serious change in HIV prevention for gay men? Dr Iryna Zablotska	4.00pm–4.15pm	Are Asian men who have sex with men (MSM) at higher risk of HIV and STI infection? Dr Phillip Read	4.00pm–4.15pm	Increasing diversity of HIV-1 Subtypes circulating in Victoria: A 6 year analysis Dr Doris Chibo	4.00pm–4.15pm	Generalised, concentrated and low prevalence – epidemic differences and challenges from the coal face of service provision and policy. (See page 91 for more information)
		4.15pm–4.30pm	HIV pre-exposure prophylaxis for Australian gay men is effective but too expensive Dr Richard Gray	4.15pm–4.30pm	'I'm scared, just thinking about that'. Thai gay men in Sydney and HIV testing Henrike Korner	4.15pm–4.30pm	Assessing novel HIV-1 envelope protein clones as vaccine immunogens Dr Rob Center		
4.30pm–4.50pm	Acute Hepatitis C Dr Joe Sasadeusz, Victorian Infectious Diseases Service, Royal Melbourne Hospital, Melbourne, VIC, Australia	4.30pm–4.45pm	Antiretroviral treatment interruptions in developed and developing countries: Implications for 'the treatment-as-prevention' strategy Rebecca Guy	4.30pm–4.45pm	What is the potential for bisexual men in China to act as a bridge of HIV transmission to the female population? Behavioural evidence from a systematic review and meta-analysis Dr Lei Zhang	4.30pm–4.45pm	The quiet achiever: Evidence of Pol specific ADCC escape against HIV-1 Ms Gamze Isitman		
4.50pm–5.10pm	New therapies for HCV Professor Greg Dore, Head, Viral Hepatitis Clinical Research Program, The Kirby Institute, Sydney, NSW, Australia	4.45pm–5.00pm	Designing ethical research in HIV prevention Ms Bridget Haire	4.45pm–5.00pm	Just a preference: Exploring 'online sexual racism' and its relationship to sexual-risk-taking among gay and bisexual men in Australia Mr Denton Callander	4.45pm–5.00pm	Role of a novel type I interferon epsilon and its use as a molecular adjuvant to enhance HIV-specific mucosal immunity Ms Yang Xi		
5.10pm–5.30pm	Discussion	5.00pm–5.15pm	Measuring attitudes towards HIV pre-exposure prophylaxis: Findings from the PrEPARE Project Mr Dean Murphy	5.10pm–5.30pm	Discussion	5.00pm–5.15pm	HIV Vaccines: Quantity or Quality of T cell Immunity? Dr Charani Ranasinghe		
		5.15pm–5.30pm	Interest in using HIV pre-exposure prophylaxis and the likelihood of maintaining condom use among Australian gay men: Findings from the PrEPARE Project Dr Martin Holt			5.15pm–5.30pm	Discussion		
5.30pm–6.30pm	Poster Viewing Session in the Exhibition Hall Drinks and Canapés to be served								
6.30pm–7.15pm	Early Career Networking Function Exhibition Hall								

TUESDAY 27 SEPTEMBER

7.00am	Registration								
7.00am–8.25am	Case Presentation Breakfast Fitzroy/Derwent Room Chair: Mike Porter								
7.30am–7.45am	On again off again: Cavitory Pulmonary Mycobacterium Avium Complex (MAC) disease - Compliance, resistance and immune reconstitution disease (IRD) in an HIV/HCV coinfectd man Dr Michael Hunter								
7.45am–8.00am	Chemotherapy and HIV Primum Non Nocere: A Difficult Paradigm to Maintain Dr Sushena Krishnaswamy								
8.00am–8.15am	Rhabdomyolysis in a patient receiving raltegravir as HIV post-exposure prophylaxis: A case study Dr Frederick Lee								
8.15am–8.25am	Discussion								
8.30am–10.00am	HIV/AIDS Conference Plenary Royal Theatre Chair: Levinia Crooks								
8.30am–9.00am	Globalisation and HIV risk. Development, Dependency and Vulnerability in the Pacific Associate Professor Heather Worth, Head of International HIV Research Group, University of New South Wales, Sydney, NSW, Australia								
9.00am–9.30am	Finding a cure for HIV: The need for science, collaboration and advocacy Professor Sharon Lewin, Monash University & The Alfred Hospital, Melbourne, VIC, Australia								
9.30am–10.00am	The first U.S. national HIV/AIDS strategy: Progress and peril Dana Van Gorder, Executive Director, Project Inform, California, USA								
10.00am–11.00am	Morning Tea in Exhibition and Poster Area Exhibition Hall								
10.00am–11.00am	Launch of surveillance reports on HIV, viral hepatitis and STIs in Australia and trends in behaviours Fitzroy/Derwent Room								
11.00am–12.30pm	Theme B Symposium: Test and Treat – issues of outreach Royal Theatre Chairs: Jenny Hoy and Bill Whittaker	11.00am–12.30pm	Theme D Proffered Paper Session: Drugs, Alcohol and HIV Risk Bradman Theatre Chairs: Heather Worth	11.00am–12.30pm	Theme B Proffered Paper Session: New Concepts in Primary Care Menzies Theatre Chairs: Tuck Meng Soo and Louise Owen	11.00am–12.30pm	Theme A Proffered Paper Session: Bench to Bedside – Translation of basic science into the clinic Nicholls Theatre Chairs: Suzanne Crowe and Patricia Price	11.00am–12.30pm	Satellite Session: Addressing the barriers of stigma, discrimination and criminalised environments in Asia and the Pacific Sponsored by AusAID. Presented by the HIV Consortium Sutherland Theatre Chair: Mark Bebbington
11.00am–11.20am	Testing & linkage to care plus treatment: Overcoming resistance to participation in health care in the United States Dana Van Gorder, Executive Director, Project Inform, California, USA	11.00am–11.15am	So Successful...yet so forgotten the exclusion of people with a history of injecting drug use in the HIV/AIDS Debate and Response Annie Madden & Joe Kim	11.00am–11.15am	Videoconferencing to facilitate high quality care of HIV patients across a wide geographical area: 18 months experience of an HIV 'Virtual clinic' in Queensland Dr Mark Kelly	11.00am–11.15am	Nullbasic; A potent protein-based HIV-1 inhibitor can prevent HIV-1 replication in human T cells Associate Professor David Harrich	11.00am–11.15am	Working towards law Reform for sex workers in PNG Sally Joseph, Friends Frangipani, Papua New Guinea
		11.15am–11.30am	Supply, demand and harm reduction strategies in Australian prisons Dr Kate Dolan	11.15am–11.30am	Treatment of blood-bourne viruses in general practice: Progress and challenges Dr David Baker	11.15am–11.30am	HIV antigens conjugated to TLR2 agonists stimulate a TH17 response in HIV infected long term nonprogressors Professor Tony Cunningham	11.15am–11.30am	More punitive 'Prostitution Law' in Fiji: The impact on sex workers and HIV prevention Karen McMillan and Seseieli Naitala (Bui), UNSW, Australia
11.20am–11.40am	Issues in outreach- a local perspective Dr Olga Vujovic, Infectious Diseases Physician, The Alfred Hospital, Melbourne, VIC, Australia	11.30am–11.45am	Drug users community activism: Revised Indonesian Narcotics Law, drug users rehabilitation and decriminalisation Mr Andreas Pundung	11.30am–11.45am	Pooled Week-48 safety and efficacy results from echo and thrive phase III trials comparing Rilpivirine (RPV) vs Efavirenz (EFV) in treatment of Naive HIV-1-infected patients receiving Emtricitabine/Tenovir (FTC/TDF) Dr Mark Bloch	11.30am–11.45am	Anti-HIV antibodies from bovine colostrum mediate specific killing by human immune cells Dr Marit Kramski	11.30am–11.45am	Continuing challenges of stigma surrounding HIV in preventing successful implementation of PMTCT programs in Bali Luh Putu Lila Wulandrari, Udayana University Bali, Indonesia
11.40am–12.00pm	Challenges to test and treat: a perspective from the Pacific Dr Arun Menon, Staff Specialist, Australasian Society for HIV Medicine, Townsville, QLD, Australia	11.45am–12.00pm	The role of alcohol in the selling and exchanging of sex in Port Moresby Mr Herick Aeno	11.45am–12.00pm	How recently diagnosed gay men feel about the prospect of HIV treatments Ian Down	11.45am–12.00pm	HaCH Study: Monocyte activation markers associated with cardiovascular disease in HIV patients Dr Anna Maisa	11.45am–12.00pm	"I am Going to Die Anyway": Stigma from within IDU community in Makassar, South Sulawesi Nurul IImi Idrus and Shanti Riskiyani, Hasanuddin University Makassar, Indonesia

12.00pm–12.20pm	When HIV-positive children grow up: A critical review of the 'transition' literature Dr Christy Newman, Senior Research Fellow, National Centre in HIV Social Research, The University of New South Wales, NSW, Australia	12.00pm–12.15pm	Kava and HIV Risk in Fiji Associate Professor Heather Worth	12.00pm–12.15pm	HIV transmission and HIV Testing : Policy to practice Levinia Crooks	12.00pm–12.15pm	The search for a simple test to predict Immune Restoration Disease associated with Mycobacterium tuberculosis Professor Patricia Price	12.00pm–12.30pm	Discussion
12.20pm–12.30pm	Discussion	12.15pm–12.30pm	Discussion	12.15pm–12.30pm	Discussion	12.15pm–12.30pm	Discussion		
12.30pm–1.30pm	Lunch in Exhibition and Poster Area Exhibition Hall								
12.45pm–1.45pm	Masterclasses, Satellite Sessions, Oral Posters, Poster Viewing and Auxiliary Meetings Time Paediatric/Maternal Workshop Michelle Giles and A/Prof. Pamela Palasanthiran Sutherland Theatre								
2.00pm–3.30pm	Theme D Symposium Debate: Syringes should be given to prisoners Royal Theatre Chair: Justice Richard Refshauge	2.00pm–3.30pm	Theme B Proffered Paper Session: Long Term Survival - The Good, the Bad and the Ugly Bradman Theatre Chairs: Edwina Wright and Catherine O'Connor	2.00pm–3.30pm	Theme C Proffered Paper Session: Diversity, Diaspora and HIV Menzies Theatre Chairs: Zhihong Gu and Gary Boddy	2.00pm–3.30pm	Theme A Symposium: Confronting HIV Reservoirs and Latency Nicholls Theatre Chair: Damian Purcell	2.00pm–3.30pm	Satellite Session: Connecting With Gay Men - Current Challenges in Gay Men's Prevention Sponsored by NSW Health/ACON/VAC Sutherland Theatre Chairs: Geoff Honnor
	Currently this issue is a hot topic in the ACT. A recent report by the Public Health Association of Australia examined different options for operating a needle and syringe program in the ACT prison. Come and hear two teams debate the topic. Affirmative Amanda Bresnan, ACT Greens, Canberra, ACT Helen Tyrrell, Chief Executive Officer, Hepatitis Australia, Canberra, ACT Annie Madden, Executive Officer, AIVL Negative Kim Sattler, Secretary, Unions ACT, ACT, Australia Additional speakers TBC	2.00pm–2.15pm	Examination of long term survival in HIV positive patients with up to 15 years of antiretroviral therapy Mr Hamish McManus	2.00pm–2.15pm	HIV epidemiology among people from culturally and linguistically diverse (CALD) backgrounds in Australia Ms Elizabeth Sonia Mlambo	2.00pm–2.30pm	Latent HIV infection in T-cells and opportunities for therapeutic intervention Professor Sharon Lewin, Director, Infectious Diseases Unit, Alfred Hospital; Professor, Department of Medicine, Monash University and co-head, Centre for Virology, Burnet Institute, Melbourne, VIC, Australia	2.00pm–2.15pm	Rethinking education through entertainment – Using social media for sexual health promotion for gay and bisexual men Jason Asselin, VAC, South Yarra, VIC, Australia
		2.15pm–2.30pm	The differential effects of ritonavir-boosted atazanavir, efavirenz or zidovudine/abacavir plus tenofovir/emtricitabine on markers of renal function during treatment of HIV infection; A randomised trial Mr Carlo Dazo	2.15pm–2.30pm	Late diagnosis of HIV infection among adults in New Zealand - 2005-2010 Associate Professor Nigel Dickson			2.15pm–2.30pm	At our fingertips: Tapping into the potential of social networking sites Mark Stooove, Burnet Institute, Melbourne, VIC, Australia
		2.30pm–2.45pm	Plasma Markers of Bone Loss and Bone Formation decrease with Intermittent Antiretroviral Therapy predict change in Bone Mineral Density Professor Andrew Carr	2.30pm–2.45pm	Increasing HIV notifications in Western Australia - A reflection of overseas-acquired infections among overseas-born heterosexual people Mr Byron Minas	2.30pm–3.00pm	Regulation of HIV infection in brain Associate Professor Melissa Churchill, Burnet Institute, Melbourne, VIC, Australia	2.30pm–2.45pm	Is social media the holy grail to re-engage gay men with safe sex messaging? Yves Calmette, ACON, Sydney, NSW, Australia
		2.45pm–3.00pm	Lower Fat Mass and Lower Bone Formation Predict Greater Bone Loss with Tenofovir in HIV-infected Adults Ms Hila Haskelberg	2.45pm–3.00pm	HIV prevalence is rapidly increasing among men who have sex with men in China: A systematic review and meta-analysis Mr Eric Pui Fung Chow			2.45pm–3.00pm	Late HIV Diagnoses among gay and other MSM – a good news story, but more work needed Phillip Keen, Education Team, AFAO/NAPWA, Sydney, NSW, Australia
		3.00pm–3.15pm	Brain metabolic profile on older HIV+ individuals: A 1-H MRS study Dr Lucette Cysique	3.00pm–3.15pm	Time trends and risk factors for non-b clade infections in South Australia Ms Karen Hawke	3.00pm–3.30pm	Viral determinants of HIV latency Associate Professor Damian Purcell	3.00pm–3.15pm	Downandirty.org - the sexually adventurous men (SAM) project Carlos Sepulveda, VAC, South Yarra, VIC, Australia
		3.15pm–3.30pm	CD4 cell responses to combination antiretroviral therapy in patients starting therapy at high CD4 cell counts Mr Stephen Wright	3.15pm–3.30pm	Extent and duration of unplanned antiretroviral treatment interruption in adults with HIV infection: A systematic review Dr Hsin-Chun Lee			3.15pm–3.30pm	A personal perspective on future strategic and programmatic response development options Geoff Honnor, ACON, Sydney, NSW, Australia
								3.30pm–3.45pm	Discussion
3.30pm–4.00pm	Afternoon Tea in Exhibition and Poster Area Exhibition Hall								

4.00pm–5.30pm	Theme C Symposium: HIV and Law Royal Theatre Chairs: Helen Watchirs and Andrew Burry	4.00pm–5.30pm	Theme D Proffered Paper Session: Understandings of Risk: Gay Men and HIV in Australia Bradman Theatre Chairs: Victor Tawil and Gary Dowsett	4.00pm–5.30pm	Theme B Proffered Paper Session: Eligibility and Access to HIV Care Menzies Theatre Chairs: Bill Whittaker	4.00pm–5.30pm	Theme A Proffered Paper Session: Biomarkers Nicholls Theatre Chairs: Doris Chibo and Tony Kelleher
4.00pm–4.30pm	HIV and the criminal law: Combating stigma through science Edwin J Bernard, Writer, Editor, Policy Consultant (GNP+, NAM, NAT, UNAIDS), UK	4.00pm–4.15pm	Are young gay men at risk for HIV? Mr Matthew O'Dwyer	4.00pm–4.15pm	NAPWA / AHOD Access study – A temporary solution for temporary residents living with HIV Jo Watson, Executive Director, NAPWA	4.00pm–4.15pm	TB-IRIS after commencing ART is associated with expansion of pre-existent CD4+ and CD8+ effector T cell responses against Mycobacterium tuberculosis antigens Associate Professor Martyn French
		4.15pm–4.30pm	HIV-positive gay men have little understanding of Hepatitis C Mr Ian Down	4.15pm–4.30pm	Impact of Medicare Ineligibility on Service Delivery at Royal Perth Hospital Ms Leah Williams	4.15pm–4.30pm	Role of IL-17 in HIV- specific immunity: Is IL-17 involved in T cell avidity? Ms Jayashree Ravichandran
4.30pm–4.45pm	Healthy public policy and good public health – Australian approaches to the management of people with HIV who place others at risk Mr Darryl O'Donnell, Associate Director, AIDS/ Infectious Diseases Branch, NSW Department of Health, Sydney, NSW, Australia	4.30pm–4.45pm	Do gay men who get infected with HIV have a history of regular HIV testing? Mr Ian Down	4.30pm–4.45pm	Spatial analysis of HIV clinical service capacity in Australia reveals current and future areas of workforce shortage Ms Kylie-Ann Mallitt	4.30pm–4.45pm	HiACT: NK cells remain highly activated in HIV patients receiving suppressive ART Mr Gregor Frederik Lichtfuss
4.45pm–5.00pm	The collateral damage from HIV criminal cases Dr Sean Slavin, Assistant Director (Research Programs), NAPWA, Sydney, NSW, Australia	4.45pm–5.00pm	Serosorting by HIV-negative gay men may be attributable to HIV-related stigma rather than simply HIV risk reduction: Findings from the HIV Stigma Barometer study Mr Dean Murphy	4.45pm–5.00pm	Assessment of the clinical care of HIV positive patients: A pilot programme of key performance indicators in HIV care in Queensland Dr Mark Kelly	4.45pm–5.00pm	The immunopathogenesis of Immune Restoration Disease associated with hepatitis C virus in Indonesian HIV patients responding to ART: Activation of blood dendritic cells by TLR Ms Henny Saraswati
5.00pm–5.15pm	Rewriting HIV infection as crime: Australian prosecutions for HIV exposure/ transmission and the potential of policy interventions Sally Cameron	5.00pm–5.15pm	Monogamy as a HIV and STI prevention strategy among Australian gay men My Duane Duncan	5.00pm–5.15pm	Pharmacy dispensing fees as a barrier to treatment in HIV positive patients accessing care from an urban clinic Mr John McAllister	5.00pm–5.15pm	Preliminary evaluation of a rapid, visual immunochromato-graphic test for the measurement of CD4+ T-cells at point of care Associate Professor David Anderson
5.15pm–5.30pm	Discussion	5.15pm–5.30pm	Discussion	5.15pm–5.30pm	Antiretroviral issues in temporary visa holders in Western Australia: A qualitative report about access, attitude and adherence Ms Susan Herrmann	5.15pm–5.30pm	The role of interferon-γ-inducible proteins cxcl9 and CXCL10 in the immunopathogenesis of immune restoration disease associated with mycobacterium tuberculosis Mr Benjamin Oliver
6.00pm–8.00pm	Conference Event – Research Exposé Australian National Press Club Facilitator: Tony Jones						

WEDNESDAY 28 SEPTEMBER

7.00am	Registration		
7.00am–8.15am	AChSHM Education Committee Meeting Torrens Room	7.00am–8.30am	Thirty years on. Addressing future challenges and acting upon current opportunities Satellite Symposium sponsored by Gilead The Ballroom Chair: Sharon Lewin
		7.00am–7.10am	Arrival and breakfast served
		7.10am–7.30am	Thirty years of HIV research Professor Sharon Lewin, The Alfred Hospital, Melbourne, VIC, Australia
		7.30am–8.00am	Old Problems New Insights; Current opportunities of adherence and cost to patients Professor Andrew Carr, St Vincent's Hospital, Sydney, NSW, Australia
		8.00am–8.30am	Back to the Future - The future challenge of curing HIV Dr Romas Geleziunas Director Biology, Gilead Sciences, Foster City, USA
7.30am–8.30am	Affiliate Event: Australasian Sexual Health and HIV Nurses Association (ASHHNA) Breakfast Annual General Meeting Swan Room Chair: Ms Donna Tilley Syndromic STI health worker training in PNG Ms Debbie Morgan Launch of the ASHHNA competencies for sexual health and reproductive health and HIV nurses Ms Donna Tilley		
8.30am–10.00am	Sexual Health Conference Opening and Joint Conference Plenary Royal Theatre Chairs: Anne Robertson, Sarah Martin and Frank Bowden		
8.35am–8.40am	Introduction by Convenor of the 2011 Sexual Health Conference Committee Dr Sarah Martin, Staff Specialist, Canberra Sexual Health Centre, ACT, Australia		
8.40am–8.45am	Welcome to Country Matilda House		
8.45am–8.50am	Opening Address Chief Minister Katy Gallagher, ACT, Australia		
8.50am–8.55am	Welcome by President of the Australasian Chapter of Sexual Health Medicine Dr Anne Robertson, President of the Australasian Chapter of Sexual Health Medicine		
8.55am–9.00am	Introduction to the Gollow Lecture Dr Anne Robertson, President of the Australasian Chapter of Sexual Health Medicine		
9.00am–10.00am	Gollow Lecture: Dreaming a pathway to equality in health outcomes for Australia's First Peoples: STI and BBVs Mr James Ward, Program Head, Senior Lecturer, Aboriginal and Torres Strait Islander Health Program, The Kirby Institute, Sydney, NSW, Australia The Royal theatre		
10.00am–10.30am	Morning Tea in Exhibition and Poster Area Exhibition Hall		
10.30am–12.00pm	Joint Conference Symposium: HIV and HPV Royal Theatre Chairs: Katerina Lagios and Richard Hillman	10.30am–12.00pm	Joint Conference Symposium: STRIVE: Making a difference in primary care to address STI rates in remote Aboriginal communities Bradman Theatre Chairs: James Ward and John Kaldor
10.30am–10.50am	Digital rectal examination to screen for anal cancer in HIV positive men having sex with men (MSM) Dr Tim Read, PhD candidate, School of Population Health, University of Melbourne and Sexual health physician at Melbourne Sexual Health Centre, Alfred Health and at the Victorian Infectious Diseases Service, VIC, Australia	10.30am–10.45am	Implementation of Australia's largest clustered randomised trial in Aboriginal health: Progress toward a goal Ms Linda Garton, The Kirby Institute, University of New South Wales, Sydney, NSW, Australia
