

AUSTRALASIAN HIV&AIDS CONFERENCE 2013 – MONDAY

7.00am	Registration								
8.00am-9.50am	HIV&AIDS Conference - Opening Plenary Room: Auditorium 2 Chairs: Edwina Wright and Steven Skov								
8.05am-8.10am	Welcome To Country Dorrie-Anne Raymond, The Larrakia Nation Aboriginal Corporation (LNAC), NT, Australia								
8.10am-8.15am	Introduction by Convenor Mr James Ward, Head, Preventive Health, Deputy Director, Baker IDI Central Australia								
8.15am-8.20am	Opening Address by Government Official Ms Lia Finnochiaro MLA, Minister for Drysdale								
8.20am-8.50am	Immune Control of the HIV reservoirs Professor Brigitte Autran, University Pierre et Marie Curie, Hôpital Pitié-Salpêtrière, Paris, France								
8.50am-9.20am	HIV in Asia: Some priorities for the third decade Dr Michael Tan, Dean, College of Social Sciences and Philosophy, University of the Philippines, Philippines								
9.20am-9.50am	Australia's first peoples- Where are we in the epidemic? Success, emerging issues and the same persistent issues Mr James Ward, Head, Preventive Health, Deputy Director, Baker IDI Central Australia, NT, Australia								
9.50am-10.45am	Morning Tea, Exhibition and Poster Viewing Room: Exhibition and Poster Area-Exhibition Hall								
10.00am-10.30am	Surveillance Reports Launch Room: Waterfront 2 & 3								
10.00am-10.30am	Advocacy Corner Program - Video Screenings Room: Exhibition Hall								
10.45am-12.15pm	Antiretroviral Guidelines Session	10.45am-12.15pm	Theme C Proffered Paper Session: Testing and Prevention	10.45am-12.15pm	Satellite Session - AusAID: Strengthening health and community systems for a scaled up response to HIV among key affected populations in Asia and the Pacific	10.45am-12.15pm	Theme A: Opportunistic infections important in Africa, Asia and Australia. Session in Honour of Christopher Birch	10.45am-12.15pm	Theme D Proffered Paper Session: Pathways; people living with HIV
	Room: Auditorium 2 Chairs: Geoff Honnor and Mark Bloch		Room: Auditorium 1 Chairs: Steven Skov and Martin Holt		Room: Waterfront 2 & 3 Chairs: Rob Lake and David Fowler		Room: Waterfront 1 Chairs: Suzanne Crowe and Anthony Jaworowski		Room: Meeting Room 3 Chairs: Heather Worth and John Rule
10.45am-11.05am	When to start ART Julian Elliot	10.45am-11.00am	Interest in and informal use of home HIV tests among Australian gay men G Prestage	10.45am-12.15pm	Panel Discussion Janelle Fawkes, CEO, Scarlet Alliance Annie Madden, Executive Director, Australian Injecting and Illicit Drug Users League Levinia Crooks, CEO, Australasian Society for HIV Medicine Omar Syarif, Asia Pacific Network of People Living with HIV	10.45am-10.48am	Chris Birch inducted into the Roll of Honour Suzanne Crowe	10.45am-11.00am	Breaking out: HIV treatment and care when PLWHIV transition from custodial settings into the community G Hampton and M Merry

11.05am-11.25am	What to start Professor Jean-Michel Molina, Professor of Infectious Diseases, University of Paris Diderot, Sorbonne Paris Cité - Paris, INSERM U941, France	11.00am-11.15am	Men who take more risks avoid HIV testing due to structural barriers P Keen			10.48am-11.18am	Immunopathogenesis of the HIV-TB associated immune reconstitution inflammatory syndrome Professor Robert J Wilkinson, University of Cape Town, Imperial College London, and National Institute for Medical Research, London	11.00am-11.15am	Unique impacts of HIV disclosure in health care and within interpersonal relationships L Brener
11.25am-11.45am	Guidance for use of ART in Australia Dr Julian Elliot, Head of Clinical Research, Infectious Diseases Unit, Alfred Hospital, Melbourne, VIC, Australia	11.15am-11.30am	Couples HIV Counselling and Testing (CHCT): Views from High Risk Populations in Bali, Indonesia K Sari			11.18am-11.45am	The effects of ART on immunological markers of HCV disease in an Indonesian cohort Professor Patricia Price, School of Pathology and Laboratory Medicine, University of Western Australia, WA, Australia	11.15am-11.30am	Ageing with HIV and the lived realities: Results from a qualitative study K McDonald
		11.30am-11.45am	Gay men's sexual identities and personal networks G Prestage					11.30am-11.45am	Bridging two worlds: Clinician perspectives on the challenges of transitioning young people with HIV into adult care C Newman
11.45am-12.15pm	Case discussion Facilitator: Dr James McMahon, Infectious Diseases Physician, Alfred Hospital and Monash University, Melbourne, VIC, Australia Panel: Jean-Michel Molina, Philip Read and Mark Bloch	11.45am-12.00pm	Are men returning? A cohort analysis of HIV testing among MSM in Victoria, 2007 to 2011 M Stooze			11.45am-12.00pm	Prevalence and types of Human Papillomavirus in Human Immunodeficiency Virus infected females in Eastern India A Chourasia	11.45am-12.00pm	Factors associated with clinician-patient discussions regarding sexual activity and contraception in reproductive-aged women with HIV Z Stewart
		12.00pm-12.15pm	Combination prevention with confidence?: A review of where community HIV health promotion evaluation is most, moderately and least developed G Brown					12.00pm-12.15pm	Q&A
12.15pm-1.30pm	Lunch, Exhibition and Poster Viewing Room: Exhibition and Poster Area-Exhibition Hall								
12.15pm-1.30pm	Advocacy Corner Program - Community presentations; Q&A - Including HIV Australia magazine launch: HIV and STIs among Aboriginal and Torres Strait Islander Communities Room: Exhibition Hall								

1.30pm-3.00pm	Theme B Proffered Paper Session: ART in Australasia, Asia Pacific and Africa Room: Auditorium 2 Chairs: Edwina Wright and Catrina Ooi	1.30pm-3.00pm	Theme C Proffered Paper Session: Treatment as Prevention Room: Auditorium 1 Chairs: John de Wit and Mark Stoove	1.30pm-3.00pm	Theme D Symposium: Round table on post MDG's - What will happen to HIV? Session in honour of Dennis Altman Room: Waterfront 2 & 3 Chair: Angela Kelly and David MacLaren	1.30pm-3.00pm	Aboriginal and Torres Strait Islander Health Session Room: Waterfront 1 Chairs: Rob Monaghan and Meggan Grose	1.30pm-3.00pm	Satellite Session: Sponsored by NAPWHA: Poz Action - supporting the Australian HIV response Room: Meeting Room 3 Chairs: Robert Mitchell and Bill Whittaker
1.30pm-1.45pm	Renal Safety Profile of Cobicistat-boosted Elvitegravir compared to Atripla or Atazanavir plus Emtricitabine/tenofovir DF in HIV-1 infected Patients M Bloch	1.30pm-1.45pm	Few gay men know about evidence for treatment as prevention B Bavinton	1.30pm-1.40pm	Overview of the issues on HIV Post-MDG Associate Professor Heather Worth, International HIV Research Group, School of Public Health and Community Medicine, UNSW, NSW, Australia	1.30pm-1.45pm	Mob in the margins: HIV and injecting drug use in Victorian Aboriginal communities K Byron/ P Waples-Crowe	1.30pm-1.50pm	The Poz Action Project Jo Watson, Executive Director, The National Association of People With HIV Australia (NAPWHA), Sydney, NSW, Australia
				1.40pm-1.50pm	Defeating AIDS - Advancing Global Health Brianna Harrison; Human Rights and Law Advisor, UNAIDS Asia Pacific Regional Service Team				
1.45pm-2.00pm	HIV lipodystrophy in participants randomised to lopinavir/ritonavir (LPV/r) + 2-3 nucleoside/nucleotide reverse transcriptase inhibitors (N(t)RTIs) or LPV/r + raltegravir (RAL) as second-line antiretroviral therapy: a sub-study of the SECONDLINE trial C Moore	1.45pm-2.00pm	'Health seems to come second': Views on treatment as prevention among people with HIV not currently taking treatment C Newman	1.50pm-2.00pm	Is a post-2015 development agenda still relevant? Annmaree O'Keeffe AM, Fellow, Lowy Institute for International Policy and Local co-chair, Leadership and Accountability n Program Committee, AIDS 2015	1.45pm-2.05pm	Uptake of HIV testing in Aboriginal Community Controlled Health Services Associate Professor Rebecca Guy, The Kirby Institute, Sydney, NSW, Australia	1.50pm-2.10pm	The PLHIV population picture in Australia Associate Professor David Wilson, Head of Surveillance and Evaluation, The Kirby Institute, NSW, Australia
2.00pm-2.15pm	Assessment of Predictors of Viraemia Copy-Years in People with HIV/AIDS following Initiation of Combination Antiretroviral Therapy S Wright	2.00pm-2.15pm	Behavioural trends among Australian gay men pose increasing challenges for HIV prevention: Findings from the Gay Community Periodic Surveys, 2003-12 M Holt	2.00pm-2.10pm	Can international policy instruments inform domestic HIV policy? Political will into action: Implementing the UN Political Declaration on HIV in Australia Mr Rob Lake, Executive Director, Australian Federation of AIDS Organisations (AFAO), NSW, Australia	2.05pm-2.20pm	NTAHC Testing Campaign - Evaluation Mr Craig Cooper, Northern Territory AIDS and Hepatitis Council, NT, Australia	2.10pm-2.30pm	Australian Temporary Resident Access Study (ATRAS) – Year 1 follow up Kathy Petoumenos, The Kirby Institute, NSW, Australia

2.15pm-2.30pm	Trends in first line antiretroviral therapy in Asia D Boettiger	2.15pm-2.30pm	Undetectable viral load is associated with increased unprotected anal intercourse in gay serodiscordant couples B Bavinton	2.10pm-3.00pm	Panel Discussion Heather Worth, Brianna Harrison, Annmaree O'Keefe, Rob Lake, Angela Kelly and David MacLaren	2.20pm-2.40pm	HIV risk, knowledge and health service access among Indigenous and non Indigenous people who inject drugs in Queensland Mr James Ward, Deputy Director, Baker IDI, NT, Australia	2.30pm-2.50pm	HIV Futures 7 Report Jeffrey Grierson, Australian Research Centre in Sex, Health and Society, LaTrobe University, Melbourne, VIC, Australia
2.30pm-2.45pm	Clinical factors associated with suboptimal adherence to antiretroviral therapy in Asia A Jiamsakul	2.30pm-2.45pm	Treatment as prevention in an Australian Setting I Stratov			2.40pm-3.00pm	Q&A	2.50pm-3.00pm	Q&A
2.45pm-3.00pm	Analysis of transmitted drug resistance between 2010 to 2012 J D'Costa	2.45pm-3.00pm	Consistent and inconsistent use of non-condom-based risk reduction strategies among men in the Gay Community Periodic Surveys M Holt						
3.00pm-3.30pm	Afternoon Tea, Exhibition and Poster Viewing Room: Exhibition and Poster Area-Exhibition Hall								
3.00pm-3.30pm	Advocacy Corner Program - Open mic sessions Room: Exhibition Hall								
3.30pm-5.00pm	Theme D Symposium Session: MSM in Asia	3.30pm-5.00pm	Satellite Session: Sponsored by ASHM NSW- e-Shared care: Improving outcomes of HIV care in the electronic era	3.30pm-5.00pm	Theme C Symposium Session: Preparing for PrEP. Session in honour of Anthony Smith	3.30pm-5.00pm	Theme B/C Symposium: Models of Testing in Australia	3.30pm-5.00pm	Theme A: Activation of the innate and adaptive immune systems
	Room: Auditorium 2 Chair: Brianna Harrison		Room: Auditorium 1 Chairs: Niamh Lynn		Room: Waterfront 2 & 3 Chairs: Dean Murphy and Colin Batrouney		Room: Waterfront 1 Chairs: Chris Bourne and Heath Paynter		Room: Meeting Room 3 Chairs: Brigitte Autran and Patricia Price
3.30pm-4.00pm	Why Communities Still Matter: HIV/AIDS and men who have sex with men in Asia Dr Michael Tan, Dean, College of Social Sciences and Philosophy, University of the Philippines, Philippines	3.30pm-3.35pm	Introduction Niamh Lynn, Senior Project Officer - HIV/STI - ASHM NSW, Sydney, NSW, Australia	3.30pm-3.45pm	PrEP implementation: The how and why Associate Professor Edwina Wright, The Alfred Hospital and the Burnet Institute, VIC, Australia	3.30pm-3.42pm	Regulate or facilitate! Establishing a community-based HIV point-of-care testing service and the balancing competing interests Dr Mark Stooove, HIV Research Program, Centre for Population Health, Burnet Institute, Melbourne, VIC, Australia	3.30pm-4.00pm	The impact of immune activation on natural killer cells in the setting of HIV infection Associate Professor Anthony Jaworowski, Burnet Institute, VIC, Australia
		3.35pm-3.50pm	HIV cycle of care – interactive session Levinia Crooks, CEO, Australasian Society for HIV Medicine, Sydney, NSW, Australia	3.45pm-4.00pm	Willingness to use HIV pre-exposure prophylaxis among Australian gay and bisexual men: Findings from the PrEPARE project 2011 - 2013	3.42pm-3.54pm			
		3.50pm-4.00pm	Preliminary results of a HIV shared care audit Dr David Baker, East Sydney Doctors, Sydney, NSW, Australia		Dr Martin Holt, Senior Research Fellow, Centre for Social Research in Health, The University of New South Wales, NSW, Australia	3.54pm-4.06pm	a[TEST] – Reflections on the first four months of a community-based Rapid HIV and STI Screening Service Geoff Honnor, Director, HIV/ Sexual Health, ACON, NSW, Australia		

4.00pm-4.15pm	Men who have sex with men in southern Vietnam report high levels of sexual risk behaviours and substance use but underutilise HIV testing services Q Pham	4.00pm-4.15pm	Practical use of the PCEHR in HIV shared care Dr Trina Gregory, CPC Medical Practice, NSW, Australia	4.00pm-4.10pm	Current knowledge and informal use of PrEP in Australia: available evidence from behavioural surveillance and research Dr Iryna Zablotska, Senior Lecturer, The Kirby Institute, The University of New South Wales, NSW, Australia	4.06pm-4.18pm	Feasibility, Acceptability and Point Prevalence of HIV Testing in Adults Admitted Under the Division of Medicine at Royal Darwin Hospital L Lallenec	4.00pm-4.15pm	An optimised eight-colour flow cytometry protocol for the analysis of monocyte heterogeneity and monocyte activation markers during HIV infection A Castley
4.15pm-4.30pm	Concurrent partnership and density of the sexual network among men having sex with men (MSM) in Kuta, Bali, Indonesia L Wulandari	4.15pm-4.25pm	HIV Shared care in a Melbourne clinic Dr Richard Moore, Northside Clinic, Melbourne, VIC, Australia	4.10pm-4.25pm	Beyond the biomedical: How, when and where might PrEP be available in Australia Mr Rob Lake, Executive Director, Australian Federation of AIDS Organisations (AFAO), NSW, Australia	4.18pm-4.30pm	Sensitivity evaluation of six rapid tests for detection of human immunodeficiency virus infection P Cunningham	4.15pm-4.30pm	HIV infection is associated with the aberrant expression of B cell receptors for cytokines that regulate B cell activation and differentiation M French
		4.25pm-4.40pm	HIV Shared care – a specialist perspective Associate Professor Andrew Carr, St Vincent's Hospital Sydney, NSW, Australia	4.25pm-4.30pm	The case for PrEP: Why PrEP could be an important component of gay men's HIV prevention strategies Associate Professor Garrett Prestage, Sydney, NSW, Australia; The Kirby Institute and The Australian Research Centre in Sex Health and Society				
4.30pm-4.45pm	HIV infection and access to HIV prevention services among men who have sex with men in some sentinel provinces in Vietnam in 2010 and 2012 T Duong	4.40pm-5.00pm	Panel and audience discussion – Future directions Dr William Donohue, Lance Feeney, Dr David Baker, Dr Trina Gregory, Dr Richard Moore, Associate Professor Andrew Carr, and Niamh Lynn	4.30pm-5.00pm	Panel Discussion Dean Murphy, Colin Batrouney, Edwina Wright, Martin Holt, Iryna Zablotska, Rob Lake and Garrett Prestage	4.30pm-4.42pm	What is the preferred method of HIV testing among Australian HIV negative gay men? I Zablotska	4.30pm-4.45pm	Clonal analysis of HIV-1 envelope sequences from follicular helper T cells isolated from human spleen cells Y Xu
4.45pm-5.00pm	The epidemiology of sexually transmitted infections and viral hepatitis among men who have sex with men in mainland China: A meta-analysis and data synthesis E Chow					4.42pm-5.00pm	Panel Discussion Mark Stooove, Lewis Marshall, Geoff Honnor, Nathan Ryder, Darren Russell, Philip Cunningham, Iryna Zablotska and Levinia Crooks	4.45pm-5.00pm	Natural control of HIV infection is associated with isotype diversification of IgG antibodies to HIV p24 M French
5.00pm-6.30pm	Welcome Reception and Poster Viewing Evening Room: Exhibition and Poster Area-Exhibition Hall								

AUSTRALASIAN HIV&AIDS CONFERENCE 2013 – TUESDAY

6.30am	Registration
7.00am-8.15am	Satellite Session sponsored by Gilead: The Great Debate - STRs Do Not put Patients first Room: Waterfront 2 & 3 Moderator: Dr Norman Swan
7.00am	Breakfast served
7.15am-8.15am	The Great Debate - STRs Do Not put Patients First Moderator: Dr Norman Swan Affirmative: Professor Andrew Carr, St Vincent's Hospital, Sydney, NSW, Australia Adjunct Associate Professor Darren Russell, James Cook University, QLD, Australia Mr Adrian Ogier, National Association of People Living with HIV (NAPWHA), NSW, Australia Opposition: Dr Dick Quan, Holdsworth House Medical Practice, NSW, Australia Associate Professor Edwina Wright, The Alfred Hospital and the Burnet Institute, VIC, Australia Mr Brent Allan, Living Positive Victoria, VIC, Australia
8.30am-10.00am	HIV&AIDS Conference - Plenary 2 Room: Auditorium 2 Chairs: Vicki Krause and Levinia Crooks
8.30am-8.31am	Introduction to the JRS Award Recipients and Future Leaders Award Ms Levinia Crooks, CEO, Australasian Society for HIV Medicine, NSW
8.31am-8.35am	Launch of the booklet and DVD: Being Positive—Healthy Living for Australians with HIV Jane Costello, President of Positive Life NSW
8.35am-9.05am	Future treatment options for HIV-infection Professor Jean-Michel Molina, Professor of Infectious Diseases, University of Paris Diderot, Sorbonne Paris Cité - Paris, INSERM U941, France
9.05am-9.30am	What is required to achieve an AIDS-free generation in Asia and the Pacific? Associate Professor David Wilson, Head of Surveillance and Evaluation, The Kirby Institute, NSW, Australia
9.30am-10.00am	Understanding and intervening in HIV-associated tuberculosis Professor Robert J Wilkinson, University of Cape Town, Imperial College London, and National Institute for Medical Research, London, United Kingdom
10.00am-10.30am	Morning Tea, Exhibition and Poster Viewing Room: Exhibition and Poster Area-Exhibition Hall
10.10am-10.20am	Launch of the Ngarra Showcase Exhibition Hall Foyer
10.00am-10.30am	Advocacy Corner - Video screenings Room: Exhibition Hall

10.30am-12.00pm	Theme B Proffered Paper Session: Co-infection and co-morbidities	10.30am-12.00pm	Theme C Proffered Paper Session: Testing; Right here right now	10.30am-12.00pm	Theme B Proffered Paper Session: Barriers and responses to integration into best practice care	10.30am-12.00pm	Theme A: Workshop: Successful collaborations in the developing world – How to do it?	10.30am-12.00pm	Theme D Proffered Paper Session: HIV in the Pacific
	Room: Auditorium 2 Chairs: Craig Rodgers and Gail Matthews		Room: Auditorium 1 Chairs: Colin Batrouney and George Ayala		Room: Waterfront 2 & 3 Chairs: David Baker and Jenny Hoy		Room: Waterfront 1 Chairs: Rebekah Puls and Patricia Price		Room: Meeting Room 3 Chair: David MacLaren
10.30am-10.45am	Cervical screening and HIV: A review of women attending three sexual health clinics in Sydney D Tilley	10.30am-10.45am	Delayed HIV diagnoses among gay and bisexual men in Australia P Keen	10.30am-10.45am	Younger age, recent HIV diagnosis, and no annual STI testing is associated with current ART non-use among HIV-positive gay men in Australia J De Wit	10.30am-10.50am	Make new friends and avoid FEDEX science Professor Patricia Price, School of Pathology and Medicine, University of Western Australia, WA, Australia and Dr Evy Yuniastuti, Medical Director, HIV integrated clinic Cipto Mangunkusumo Hospital, University of Indonesia	10.30am-10.45am	Is there HIV on the inside? An assessment of HIV risk and prevention in prison's and police holding cells in Papua New Guinea A Kelly
10.45am-11.00am	Prevalence and risk factors for high-grade squamous intraepithelial lesions (HSIL) in a community based cohort of homosexual men D Machalek	10.45am-11.00am	Field performance of the Alere Determine HIV Combo assay in recent HIV infection and overall in the Sydney Rapid HIV Test Study D Conway	10.45am-11.00am	Efficacy and acceptability of a combination intervention for smoking cessation in HIV positive individuals: A pilot study L Healey	10.50am-11.00am	Larger scale collaborations- Making lots of friends and keeping them Rebekah Puls, University of NSW, NSW, Australia	10.45am-11.00am	'Mi aigris long koins bilong em' ('I was attracted to him because of his money'): Polygamy, sexual agency and women in contemporary Papua New Guinea A Mek
11.00am-11.15am	Detectable HBV DNA in plasma but no HBV drug resistance in HIV/HBV co-infected patients on tenofovir-containing antiretroviral therapy J Sasadeusz	11.00am-11.15am	Effect of testing experience and profession on staff acceptability of rapid HIV testing in public sexual health clinics in Sydney D Conway	11.00am-11.15am	Barriers to integrating HIV and AIDS services into community health centres in Bali Province, Indonesia I Sutarsa	11.00am-11.10am	Working in a global repository – Facilitating collection, storage and retrieval of valuable specimens Kate Merlin, St Vincent's Centre for Applied Medical Research, Sydney, NSW, Australia	11.00am-11.15am	The Contribution of Partner Testing to PPTCT Efforts and Getting to Zero New Pediatric HIV Infections in Papua New Guinea TD Frank
11.15am-11.30am	Prevalence and predictors of multimorbidity among people living with HIV in regional New South Wales, Australia N Edmiston	11.15am-11.30am	Queensland's first community based HIV testing E Ryder	11.15am-11.30am	Influence of ART co-payment on pharmacy pick-up site and pharmacy assessments of ART adherence J McMahon	11.10am-11.20am	Successful shipping - Without losing samples and your mind Anna Donaldson, University of NSW, NSW, Australia	11.15am-11.30am	'I left my lifeline': Understanding use and refusal of alternative therapies among people living with HIV in the Pacific Islands H Gorman

11.30am-11.45am	Detection of systemic human papillomavirus type 16-specific T-cell responses in HIV-uninfected and infected men who have sex with men W Tong	11.30am-11.45am	Consumer preferences for a community-based rapid HIV point-of care testing service for men who have sex with men in Melbourne M Stooze	11.30am-11.45am	Expanded dispensing of antiretroviral medications can remove perceived barriers to accessing treatment and is well received by people living with HIV M Graham	11.20am-11.35am	Experience in using CLIA and ISO to establish a laboratory network for US NIAID Pediatric Clinical Trials between Thailand and Cambodia Sasiwimol Ubolyamn, The HIV-NAT AIDS Research Centre/ Chulalongkorn University Hospital, Bangkok, Thailand	11.30am-11.45am	Breaking Culture: HIV Prevention and Subjectivities of Change in Papua New Guinea P Shih
11.45am-12.00pm	Preliminary findings from the Anal Cancer Examination (ACE) study - acceptability of an annual anal examination amongst patients and doctors J Ong	11.45am-12.00pm	Providing HIV results via SMS one day after testing: more popular than rapid point-of-care tests S Davies	11.45am-12.00pm	Hepatitis C testing and infection in HIV-positive men who have sex with men in Melbourne, Victoria M Hellard	11.35am-11.50am	Strengthening laboratory quality management systems using NRL STEPS Sue Best, National Reference Laboratory, VIC, Australia	11.45am-12.00pm	Human papillomavirus, HIV and other sexually transmitted infections among women attending antenatal, well woman and sexual health clinics in Papua New Guinea A Vallely
						11.50am-12.00pm	Q&A		
12.00pm-1.30pm	Lunch, Exhibition and Poster Viewing Room: Exhibition and Poster Area-Exhibition Hall								
12.00pm-1.30pm	Advocacy Corner - Community presentations; Q&A Room: Exhibition Hall								
2.00pm-5.00pm	Aboriginal & Torres Strait Islander Satellite Meeting Room: Meeting Room 4								
1.30pm-3.00pm	Theme B Symposium Session: Contemporary Issues in HIV management	1.30pm-3.00pm	Theme C Proffered Paper Session: HIV Epidemiology and Behavioural Trends	1.30pm-3.00pm	Satellite Session: HIV Immigration and Legal Satellite	1.30pm-3.00pm	Theme A Symposium: A vaccine for HIV: Therapeutic or preventive- Pushing the envelope!	1.30pm-3.00pm	Theme D Proffered Paper Session: HIV in Australia
	Room: Auditorium 2 Chairs: Jean-Michel Molina and Suzanne Crowe		Room: Auditorium 1 Chairs: Craig Cooper and David Wilson		Room: Waterfront 2 & 3 Chairs: Anna Roberts and Brent Allan		Room: Waterfront 1 Chairs: Ivan Stratov and Sharon Lewin		Room: Meeting Room 3 Chair: Angela Kelly
1.30pm-1.45pm	HIV care: How well are we managing people with HIV Dr Mark Bloch, Director, Holdsworth House Medical Practice, Sydney, NSW, Australia	1.30pm-1.45pm	HIV diagnosed in Victoria among new migrants C El-Hayek	1.30pm-1.45pm	Regional HIV Policy: What do we know about regional policies around HIV and immigration Associate Professor Heather Worth, Head of the International HIV Research Group, School of Public Health and Community Medicine, Faculty of Medicine, UNSW, Australia	1.30pm-1.50pm	Can Therapeutic Vaccines be of help for an HIV Cure? Professor Brigitte Autran, University Pierre et Marie Curie, Hôpital Pitié - Salpêtrière, Paris, France	1.30pm-1.45pm	HIV notifications in migrant populations in NSW, 2003-2012 M Lam

1.45pm-2.00pm	How safe is contemporary ART? Dr David Nolan, Consultant Physician, Royal Perth Hospital, WA, Australia	1.45pm-2.00pm	The changing face of HIV-1 diversity in Western Australia- A 12 year analysis A Castley	1.45pm-2.00pm	Australian Immigration Process: How does an individual navigate the system Indraveer Chatterjee, Principal solicitor for Australia's only HIV specialist legal centre, the HIV/AIDS Legal Centre (HALC), NSW, Australia	1.50pm-2.10pm	Advances in prophylactic vaccines... contributions from the region Professor Anthony Kelleher, Program Head, Kirby Institute, Uni NSW, NSW, Australia	1.45pm-2.00pm	Young gay men, sex, relationships and HIV risk D Duncan
2.00pm-2.15pm	Immune activation and Serious Non AIDS Events in HIV infection Dr Denise Hsu, Lecturer, Kirby Institute, UNSW, NSW, Australia	2.00pm-2.15pm	Comparison of recruitment strategies for behaviour studies among gay men I Zablotska	2.00pm-2.15pm	The Health Requirement and Significant Cost Threshold: Details of the Requirements and How the Policy Limits are Set Richard Johnson, Assistant Secretary of the Visa Framework and Family Policy Branch, Migration and Visa Policy Division, Australian Department of Immigration and Citizenship, Australia			2.00pm-2.15pm	HIV testing patterns and barriers to testing among people from culturally and linguistically diverse (CALD) backgrounds in NSW Australia: Results from a NSW community-based survey S McGregor
2.15pm-2.30pm	The current HIV-management policy environment Associate Professor Darren Russell, Director of Sexual Health, Cairns Sexual Health Service, Cairns, QLD, Australia	2.15pm-2.30pm	Trends in CD4+ cell count at HIV diagnosis in Australia, 2001 - 2012 A McDonald	2.15pm-2.30pm	Public Health Implications of HIV Migration Policies and UNAIDS Assessments of International Policies Brianna Harrison, Human Rights and Law Advisor, UNAIDS Asia Pacific Regional Service Team	2.10pm-2.30pm	Discussion	2.15pm-2.30pm	HIV knowledge and sexual behaviour among people from culturally and linguistically diverse (CALD) backgrounds in NSW Australia: Results from a NSW Community-based survey 2012 ES Mlambo
2.30pm-2.45pm	Mind the Gaps - PLHIV issues in Australia today Simon O'Connor, Executive Officer, Queensland Positive People (QPP), QLD, Australia	2.30pm-2.45pm	Reinvigorating evidence for action and capacity in community HIV programs (REACH Project) K Johnston	2.30pm-3.00pm	Panel discussion: The panel with address questions from the audience and discuss whether and how the Australian policy should change Anna Roberts, Indraveer Chatterjee, Heather Worth, and Dr Anne Watson, Medical officer, Department of Immigration and Citizenship	2.30pm-2.45pm	Breadth and Magnitude of envelope-specific ADCC responses in people who naturally control HIV Dr Ivan Stratov, Department of Microbiology and Immunology, University of Melbourne, VIC, Australia	2.30pm-2.45pm	A dramatic increase in the use of mobile apps to meet partners among gay men in Melbourne and Sydney is not associated with increased risk-taking: Findings from the Gay Community Periodic Surveys, 2010-13 P Hull
2.45pm-3.00pm	Panel Discussion	2.45pm-3.00pm	Discussion			2.45pm-3.00pm	To escape, or not to escape: Pig-tailed macaque MHC I haplotypes that drive CTL escape in SIV infection S Gooneratne	2.45pm-3.00pm	Determinants of suicide and accidental/violent death in the Australian HIV Observational Database K Petoumenos
3.00pm-3.30pm	Afternoon Tea, Exhibition and Poster Viewing Room: Exhibition and Poster Area-Exhibition Hall								
3.00pm-3.30pm	Advocacy Corner Program - Open mic sessions Room: Exhibition Hall								

3.30pm-5.00pm	Theme B Symposium Session: Coinfections, epidemiology and transmission	3.30pm-5.00pm	Theme C Symposium Session: Heterosexual transmission of HIV in Australia: An examination of trends, risks, impacts and responses	3.30pm-5.00pm	Theme A and Theme B: Age-related pathologies in HIV patients	3.30pm-5.00pm	Theme D Proffered Paper Session: Quick fire: Short presentations from Australia and the Asia Pacific Region	3.30pm-5.00pm	Satellite Session: A DHIVA Initiative - Practical Management of Menopause, Contraception and Pregnancy in Women with HIV
	Room: Auditorium 2 Chairs: Julian Elliott and Tony Kelleher		Room: Auditorium 1 Chairs: John de Wit and Pene Manolas		Room: Waterfront 2 & 3 Chairs: Bruce Brew and David Nolan		Room: Waterfront 1 Chairs: Angela Kelly and Jo Watson		Room: Meeting Room 3 Chair: Moira Wilson
3.30pm-3.49pm	HCV transmission risks: Changing times, changing needs? Dr Gail Matthews, Clinical academic and Senior Research Fellow, The Kirby Institute, NSW, and St Vincent's Hospital, Sydney, NSW, Australia	3.30pm-3.50pm	Trends in heterosexually acquired HIV infection in Australia, 2001-2012 Dr Ann McDonald, The Kirby Institute for Infection and Immunity in Society, The University of New South Wales, NSW, Australia	3.30pm-3.55pm	HIV infection, inflammation and ageing: How are they linked? Professor Suzanne Crowe, Associate Director, Burnet Institute (Clinical Research), Consultant Physician in Infectious Diseases, The Alfred; Professor of Medicine, Monash University, Melbourne, VIC, Australia	3.30pm-3.39pm	Justice for whom? Resolving sexual violence in Bena, Eastern Highlands Province, Papua New Guinea H Aeno	3.30pm-4.15pm	Managing Contraception and Menopause in HIV Positive Women Professor Martha Hickey, Professor of Obstetrics and Gynecology, The Royal Women's Hospital and the University of Melbourne, VIC, Australia
						3.39pm-3.48pm	Representations of homosexuality in The Northern province and on the islands of New Caledonia FL Mbodj		
3.49pm-4.08pm	Hepatitis B - the Northern Territory story Dr Jane Davies, Menzies School of Health Research; Senior clinical fellow in Infectious Diseases, Royal Darwin Hospital, NT, Australia	3.50pm-4.10pm	Engaging with male expatriates, travellers and HIV Dr Graham Brown, Australian Research Centre in Sex, Health and Society, LaTrobe University, VIC, Australia; WA Centre for Health Promotion Research, Curtin University, WA, Australia	3.55pm-4.10pm	Increased risk of cardiovascular disease (CVD) with age in men: A comparison of the D:A:D CVD risk equation and general population CVD risk equations K Petoumenos	3.48pm-3.57pm	The reality of treatment adherence for NSW's most marginalised people living with HIV (PLWH): An analysis of factors affecting adherence and the impact of the Bobby Goldsmith Foundation's (BGF) financial assistance on adherence E Ninnes		
						3.57pm-4.06pm	'Time to Test' campaign to promote HIV testing among gay men D Murphy		

4.08pm-4.27pm	The consequences of HIV / TB confection in the Asia Pacific Region: epidemiology, modelling and public health strategies Dr Emma McBryde, Head of Epidemiology, Victorian Infectious Diseases Service; Principal Research Fellow, University of Melbourne, Epidemiologist, Burnet Institute, VIC, Australia	4.10pm-4.30pm	The impact of living with HIV: differences in experiences of stigma for heterosexual and homosexual PLHIV in Australia Dr Loren Brener, Senior Research Fellow, Centre for Social Research in Health, UNSW, NSW, Australia	4.10pm-4.15pm	Neurological aspects of Ageing and HIV Professor Bruce Brew, Head of Department of Neurology, St Vincent's Hospital, NSW Australia	4.06pm-4.15pm	Growing Pains: A first look at drug use in a post-conflict country A Belo Ximenes	4.15pm-5.00pm	Case Presentations Case Study 1: Make no bones about it... Dr Catriona Ooi, Western Sydney Sexual Health Centre, NSW, Australia
				4.15pm-4.30pm	Investigation of immune markers that may explain association of CMV antibody titres and cardiovascular risk in HIV+ individuals stable on HAART S Brunt	4.15pm-4.24pm	My Journey: Exploring the experiences of women living with HIV in Australia S Cristian		
4.27pm-4.46pm	HIV transmission: An update for clinicians in the combination prevention era Professor Andrew Grulich, Professor and Head of HIV Epidemiology and Prevention Program, the Kirby Institute, UNSW, NSW, Australia	4.30pm-4.50pm	Community HIV prevention responses to emerging priorities Mr Craig Cooper, Northern Territory AIDS and Hepatitis Council, NT, Australia	4.30pm-4.45pm	Prevalence of HIV-associated neurocognitive disorders using a new cogstate-based screening against standardised neuropsychological assessment in an Australian HIV-infected and HIV-negative community cohort M Bloch	4.33pm-4.42pm	ENUF: Crowd sourcing voices to resist HIV stigma and promote resilience B Allan	4.15pm-5.00pm	Case Study 2: Women living with HIV Diagnostic dilemmas Dr Moira Wilson, Fremantle Hospital, WA, Australia
4.46pm-5.00pm	Q&A	4.50pm-5.00pm	Q&A	4.45pm-5.00pm	Prevalence of CSF Alzheimer's disease-like profiles in middle-aged HIV+ individuals L Cysique	4.42pm-4.51pm	Listening to community voice: Perceptions of models of service delivery for male circumcision as an HIV prevention option in Papua New Guinea A Tynan		
						4.51pm-5.00pm	Understanding the constraints and facilitators in the Fijian health system to the prevention of mother-to-child transmission of HIV (PMTCT) services in Suva A Razzaq		
5.15pm-7.15pm	ViiV Healthcare Satellite Session - HIV Life Plan Cardiovascular Health Symposium								
	Room: Waterfront 1 Chair: Edwina Wright								
5.15pm-6.00pm	Welcome drinks and canapes in foyer								
6.00pm-7.00pm	Presentation Dr David Nolan, Royal Perth Hospital, Co-author of the HIV Life Plan, Cardiovascular Health chapter								
7.00pm-7.15pm	Q&A								

AUSTRALASIAN HIV&AIDS AND SEXUAL HEALTH CONFERENCES 2013 – WEDNESDAY

6.30am	Registration		
7.00am-8.15am	Case Presentation Breakfast: HIV&AIDS Conference Room: Waterfront 2 and 3 Chairs: Winnie Tong and Shailendra Sawleshwarkar	7.00am-8.15am	Affiliate Event: Australasian Sexual Health and HIV Nurses Association (ASHHNA) AGM and Breakfast Room: Waterfront 1 Chair: Donna Tilley
7.15am-7.30am	Posterior reversible encephalopathy syndrome in a patient with HIV and disseminated Varicella Zoster Virus S Sasson	7.00am-8.15am	Guest Speaker: Peter Knibbs Nursing Unit Manager Clinic 34 Darwin Peter has worked in HIV at Clinic 34 Darwin for 21 years. During that time he has seen many changes in relation to HIV in the Top End. Peter will be discussing his role and the challenges that come with this position.
7.30am-7.45am	Protracted cryptococcal disease: immune reconstitution inflammatory syndrome (IRIS) or not? S McGuinness		
7.45am-8.00am	HIV and Hodgkin's Lymphoma - A Medical Dilemma C Khaw		
8.00am-8.15am	Complex Case Report that illustrates the paucity of data for long term management of Visceral Leishmania-HIV co-infection M Kelly		
8.30am-10.00am	Sexual Health Conference: Opening Plenary Room: Auditorium 1 & 2 Chairs: Margaret Redelman and Kim Gates	8.30am-10.00am	HIV&AIDS Conference: Basic Science Symposium: HIV reservoirs and the potential of gene therapy Room: Meeting Room 3 Chairs: John Zauanders and Sharon Lewin
8.30am-8.35am	Welcome To Country Dorrie-Anne Raymond, The Larrakia Nation Aboriginal Corporation (LNAC), NT, Australia	8.30am-8.50am	Characterization of HIV latency in a chemokine model of preactivation latency Dr Paul U Cameron, Department of Infectious Diseases, Monash University, VIC, Australia
8.35am-8.45am	Introduction by Convenor Dr Margaret Redelman, (Convenor), Medical Sex Therapist, Secretary: Society Australian Sexologists Ltd, NSW, Australia	8.50am-9.10am	Longitudinal analysis of infection frequencies and genetic makeup of intracellular HIV-1 from tissue compartments during long-term suppressive therapy Associate Professor Sarah Palmer, Westmead Millennium Institute/University of Sydney, Westmead, NSW, Australia
8.45am-8.50am	Opening address Dr Nathan Ryder, Sexual Health Physician, Sexual Health and Blood Borne Virus Unit, NT, Australia	9.10am-9.30am	Promoter targeting small RNA suppresses HIV-1 infection in-vivo through transcriptional gene silencing K Suzuki
8.50am-9.00am	ASHA's - First Conference Welcome Associate Professor Richard Hillman, (AChSHM President/ASHA Chair), Academic Lead, Western Sydney Sexual Health Centre, University of Sydney, NSW, Australia	9.30am-9.50am	Enforcement of HIV-1 Postintegration Latency by a Tat Mutant D Harrich
9.00am-9.30am	ASHA Oration Associate Professor Darren Russell, Director of Sexual Health, Cairns Sexual Health Service, Cairns, QLD, Australia	9.50am-10.00am	Q&A
9.30am-10.00am	Changing Face of Indigenous Sexual and Public Health Jacki Mein, Apunipima Cape York Health Council, Senior Medical Officer, QLD, Australia		
10.00am-10.30am	Morning Tea, Exhibition and Poster Viewing Room: Exhibition and Poster Area-Exhibition Hall		
10.00am-10.30am	Advocacy Corner - Video screenings Room: Exhibition Hall		

10.30am-12.00pm	Joint Conference Symposium: Models of Clinical Care in Sexual Health and HIV Room: Auditorium 1 & 2 Chairs: Shannon Woodward and Kirsten Thompson	10.30am-12.00pm	Joint Conference Symposium: HIV and Sexual Health – Joining up the strands Room: Waterfront 2 & 3 Chairs: Peter Aggleton and Jackie Mein	10.30am-12.00pm	Joint Conference Symposium: Biomedical: Cutting edge diagnostics Room: Waterfront 1 Chair: Basil Donovan	10.30am-12.00pm	HIV&AIDS Conference: ACH2 Sponsored Basic Science Session- Translational Immunovirology Room: Meeting Room 3 Chairs: David Harrich and Paul Cameron
10.30am-10.50am	Creating and maintaining STI control in a remote region of Aboriginal communities: lessons from an eighteen year long program on the Anangu Pitjantjatjara Yankunytjatjara (APY) Lands Dr Rae-Lin Huang, STI Control and HIV Prevention Co-ordinator, Nganampa Health Council, NT, Australia	10.30am-10.50am	Young clean and safe Associate Professor Kate Senior PhD, Senior Research Fellow, ARC Future Fellow, Youth Health and Wellbeing, Centre for Child Development and Education, Menzies School of Health Research, NT, Australia	10.30am-10.50am	Point of care testing as a public health strategy for the control of sexually transmitted infections Professor John Kaldor, Public Health Interventions Research Group, Kirby Institute, University of New South Wales, NSW, Australia	10.30am-10.45am	Short-hairpin RNA gene therapy to CCR5 and membrane anchored C peptide and their effect on HIV susceptible cultures S Ledger
10.50am-11.10am	I nurse in the clap clinic - The future of sexual reproductive health and nursing Dr. David Lee, DrPH, MPH, FCNA, FCN (NSW); Nurse Practitioner, (Sexual Reproductive Health); Melbourne Sexual Health Centre, Alfred Hospital, Melbourne, VIC, Australia	10.50am-11.10am	HIV and Sexual Health Peer Education in Gender Diverse youth Renon Schafer, Volunteer Youth Peer Educator, NTAHC and Founder of SMILE (a group for Same Sex Attracted and Gender Diverse Youth), NT, Australia	10.50am-11.10am	Rapid HIV Testing in Australia Damian Conway, Lecturer, Sexual Health Program, Kirby Institute, NSW, Australia	10.45am-11.00am	Targeting Tat expression during HIV-1 viral latency Associate Professor Damian Purcell, Reader in Virology, The University of Melbourne, VIC, Australia
11.10am-11.30am	The West Australian HIV Rural Remote and Pregnancy Service Allison Cain, Clinical Nurse Specialist, Rural and Remote Service, Royal Perth Hospital, WA, Australia	11.10am-11.30am	Considering the whole: The overlapping epidemiology of STIs, sex work, drug use and reproductive health Dr Phillip Read, Medical Unit Manager/ Staff Specialist, Kirketon Road Centre, Sydney, NSW, Australia	11.10am-11.20am	ACON Rapid HIV testing data - it's called a-test Timmy Lockwood, CNS Sydney Sexual Health Centre, Sydney, NSW, Australia	11.00am-11.15am	MicroCube, a crystalline platform for HIV antigen presentation Dr. Fasseli Coulibaly, ARC Future Fellow, Structural Virology Laboratory, School of Biomedical Sciences, Monash University, VIC, Australia
				11.20am-11.40am	Update on anal cancer screening in HIV+ populations Dr Jason Ong, MBBS, MMed, FRACGP, PhD candidate, University of Melbourne, VIC, Australia	11.15am-11.30am	Blocking two phase transfer of HIV-1 in primary langerhans cells Dr Najla Nasr, Centre for Virus Research, Westmead Millennium Institute for Medical Reserach, University of Sydney, Sydney, NSW, Australia
11.30am-11.50am	Partnerships in Care – Aboriginal Community Controlled Services and HIV Specialist Services working in collaboration for the best outcomes for the individual Kim Dick, Senior Aboriginal Health Worker - Victorian Aboriginal Health Service and Sandra Gregson, STI/BBV Nurse - Victorian Aboriginal Health Service, VIC, Australia	11.30am-11.50am	“HIV Treatment as Prevention and Sexual Health” Associate Professor Darren Russell Director of Sexual Health, Cairns Sexual Health Service, Cairns, QLD, Australia	11.40am-11.50am	Practicalities of screening for anal cancer Christopher K Fairley, Professor of Sexual Health, University of Melbourne, Director, Melbourne Sexual Health Centre, VIC, Australia	11.30am-11.45am	Development of a novel, quantitative, real-time HIV neutralisation assay Dr Lachlan Gray, Centre for Biomedical Research, Burnet Institute, VIC, Australia
11.50am-12.00pm	Q&A	11.50am-12.00pm	Q&A	11.50am-12.00pm	Q&A	11.45am-12.00pm	Q&A

12.00pm-1.30pm	Lunch, Exhibition and Poster Viewing Room: Exhibition and Poster Area-Exhibition Hall						
12.00pm-1.30pm	Advocacy Corner - Community presentations; Q&A Room: Exhibition Hall						
12.00pm-1.30pm	ASHM AGM Room: Waterfront 1						
12.30pm-1.15pm	The STRIVE trial of clinical quality improvement for sexual health in remote communities: Update and new findings Room: Waterfront 2 & 3 Chair: James Ward						
12.30pm-12.45pm	Increases in STI testing following the introduction of a sexual health quality improvement program: Findings from the STRIVE trial Linda Garton, The Kirby Institute, University of New South Wales, Sydney, NSW, Australia						
12.45pm-1.00pm	Improving systems to support best practice in sexual health service delivery: Findings from the STRIVE trial Debbie Taylor-Thomson, Menzies School of Health Research, NT, Australia						
1.00pm-1.15pm	STRIVE: Barriers and facilitators to health worker instigated STI testing in remote Aboriginal communities Belinda Hengel, Apunipima Cape York Health Council, QLD, Australia						
1.30pm-3.00pm	Joint Conference Symposium: Impact of Employment on Sexual Health and HIV Risk Room: Auditorium 1 & 2 Chair: Judith Dean	1.30pm-3.00pm	Joint Conference Symposium: NT NSP Review – BBV Prevention Partnership Room: Waterfront 2 & 3 Chairs: Craig Cooper and Annie Madden	1.30pm-3.00pm	Joint Conference Symposium: Hot topics in Women's Sexual Health Room: Waterfront 1 Chairs: Caroline Harvey and Katherine Brown	1.30pm-3.00pm	HIV&AIDS Conference Basic Science: Concentrated HTLV-1 infections in remote Australia Room: Meeting Room 3 Chairs: Damian Purcell and Kevin Freeman
1.30pm-1.50pm	Sexual Health and Australian Defence Force Stephen Lambert, Project Manager, The University of Melbourne, VIC, Australia	1.30pm-1.50pm	Anex Review of the Needle and Syringe Program in the Northern Territory John Ryan, Chief Executive Officer, Anex, VIC, Australia	1.30pm-2.00pm	Women, Violence and Sexual Health in PNG Angela Kelly, Principal Research Fellow, Sexual and Reproductive Health, PNG Institute of Medical Research, Senior Research Fellow, School of Public Health & Community Medicine, UNSW, NSW, Australia	1.30pm-1.35pm	Introduction to the virology of HTLV-1, and the similarities and differences with HIV Associate Professor Damian Purcell, Reader in Virology, The University of Melbourne, VIC, Australia
1.50pm-2.10pm	Sexual Health of the Workforce in Extractive & Agricultural Industries in PNG Mr Kelwyn Browne, PNG National Department of Health (Rural Primary Health Services Delivery Project), Papua New Guinea	1.50pm-2.10pm	The development of the NT NSP Working Group – NSP Service Development and Stakeholder Engagement. How to drive change Katherine Moriarty, Senior Policy Officer, NT Health (CDC), NT, Australia	2.00pm-2.20pm	Contraception and HIV Dr Ellie Freedman, Medical Director Northern Sydney Sexual Assault Service, Royal North Shore Hospital, and Consultant to FPNSW, NSW, Australia	1.35pm-1.55pm	The epidemiology and clinical manifestations of the Human T Lymphotropic Virus Type 1 in central Australia Dr Lloyd Einsiedel, Flinders University, NT, Australia
2.10pm-2.30pm	Who's going to look after HIV? Accounts of generational change in the GP workforce providing HIV care Dr Christy Newman, Senior Research Fellow, Centre for Social Research in Health, UNSW Arts and Social Sciences, NSW, Australia	2.10pm-2.30pm	NT OPP Review – Service development and peer engagement, ensuring BBV prevention for opiate dependent people in the Territory Ms Joanna Murray, Senior Adviser, Alcohol and Other Drugs Services, Department of Health, NT, Australia	2.20pm-2.40pm	Hep B and Pregnancy Dr Catriona Ooi, Western Sydney Sexual Health Clinic, Sydney, NSW, Australia	1.55pm-2.15pm	Is there an occupational risk of HTLV-1 infection? Dr Saliya Hewagama, Infectious Diseases Physician, Alice Springs Hospital, NT, Australia

2.30pm-2.50pm	Mining and Sexual Health in Western Australia Andrew Burry, Chief Executive Officer WA AIDS Council, WA, Australia	2.30pm-2.45pm	NT Police and NT Health – NSP Memorandum of Understanding. Implications for NT Police as an NSP service partner Senior Sergeant John Ginnane, NT Police, NT, Australia	2.40pm-3.00pm	Update on cervical cancer prevention Dr Julia Brotherton, Medical Director, National HPV Vaccination Program Register, VIC, Australia	2.15pm-2.30pm	Laboratory Diagnosis of Human T-lymphotropic virus I/II (HTLV-I/II) Kevin Freeman, Network Supervisor, Serology/Molecular Biology Department, Northern Territory Government Pathology Services, Royal Darwin Hospital, NT, Australia
2.50pm-3.00pm	Q&A	2.45pm-3.00pm	NTAHC engagement with NSP peers, improving the service standards and model Damon Brogan, Harm Minimisation Manager, Northern Territory AIDS and Hepatitis Council (NTAHC), NT, Australia			2.30pm-2.45pm	Development and validation of a Human T-cell Lymphotropic virus type-1 proviral load assay K Wilson
2.45pm-3.00pm						2.45pm-3.00pm	Q&A
3.00pm-3.30pm	Afternoon Tea, Exhibition and Poster Viewing Room: Exhibition and Poster Area-Exhibition Hall						
3.00pm-3.30pm	Advocacy Corner - Open mic sessions Room: Exhibition Hall						
3.30pm-5.00pm	Joint Conference Session and HIV&AIDS Conference Closing Room: Auditorium 1 & 2 Chairs: Levinia Crooks and James Ward						
3.30pm-4.00pm	Distilling the soul of our work and its consequences for gay men and other men who have sex with men worldwide: A case for honoring community and recovering the principles of primary prevention Dr George Ayala, Executive Director, The Global Forum on MSM & HIV (MSMGF), California, USA						
4.00pm-4.20pm	Global Progress and Regional Action in the fight against HIV/AIDS (Video presentation) Ambassador Mark Dybul, Executive Director, Global Fund to Fight AIDS, Tuberculosis and Malaria, USA (Video Presentation)						
4.20pm-4.40pm	Integrating an MSM service into the HIV clinic: Challenges and opportunities in facing the changing epidemic in Indonesia Dr Evy Yuniastuti, Medical Director, HIV integrated clinic Cipto Mangunkusumo Hospital, University of Indonesia						
4.40pm-4.50pm	Update on the Melbourne Declaration Associate Professor Edwina Wright, The Alfred Hospital and the Burnet Institute, VIC, Australia on behalf of the Declaration Group						
4.50pm-4.55pm	Conference wrap up and closing remarks Ms Levinia Crooks, CEO, Australasian Society for HIV Medicine, NSW, Australia and Mr James Ward, Preventive Health, Deputy Director, Baker IDI Central Australia, NT, Australia						
4.55pm-5.00pm	Presentation of the 2014 IAS Conference Bertrand Audoin, Executive Director, International AIDS Society, Switzerland						
6.30pm-11.00pm	2013 Australasian Sexual Health Conference Dinner, Sky City Events Marquee Buses will depart the Convention Centre and hotels at 6.15pm						

AUSTRALASIAN SEXUAL HEALTH CONFERENCE – THURSDAY

6.30am	Registration
7.00am-8.30am	<p>Penelope Lowe Trainee Breakfast</p> <p>Room: Waterfront 3 Chair: Carole Khaw Panel: Dr Natalie Edmiston, Dr Brian Hughes and Dr Phillip Read</p>
7.20am-7.40am	<p>Whodunit: Framed, guilty or an accessory after the fact? Dr Vinita Rane, Sexual Health Registrar, Melbourne Sexual Health Centre, Melbourne, VIC, Australia</p>
7.40am-8.00am	<p>Young, gay, itchy and isolated: treatment failure of secondary syphilis in a young man with newly diagnosed HIV Dr Alison Rutherford, CMO, SWSAHS Sexual Health, Liverpool, NSW, Australia</p>
8.00am-8.20am	<p>Mycoplasma genitalium: trouble before we begin? Dr Sally Murray, Sexual Health Registrar, Freemantle Hospital, Freemantle, WA, Australia</p>
8.20am-8.30am	Q & A
9.00am-10.30am	<p>Plenary</p> <p>Room: Auditorium 2 Chairs: Lewis Marshall and Donna Tilley</p>
9.00am-9.10am	<p>Preliminary launch of the Australasian STI Management Guidelines Dr Chris Bourne, Senior Staff Specialist, Sydney Sexual Health Centre/NSW STI Programs Unit, Sydney Hospital, NSW, Australia</p>
9.10am-9.40am	<p>Gollow Lecture: The Evolution of Sexual Health in Australia Professor Basil Donovan, Professor and Head of the Sexual Health Program, The Kirby Institute, The University of New South Wales, NSW, Australia</p>
9.40am-10.10am	<p>Can chlamydia testing become standard practice in general practice? Associate Professor Jane Hocking, PhD, Centre for Women's Health, Gender and Society, Melbourne School of Population Health, University of Melbourne, VIC, Australia</p>
10.10am-10.30am	<p>HIV and MSM in Asia Professor Roy Chan, Director NSC, Chairman Dermatology Residency Advisory Committee, Head STI Control Programme, Senior Consultant, Director of Medical Services, Ministry of Health, Singapore</p>
10.30am-11.00am	<p>Morning tea, Exhibition and Poster Viewing Room: Exhibition and Poster Area-Exhibition Hall</p>

11.00am-12.30pm	Reproductive Health: Proffered Paper Session	11.00am-12.30pm	Public Health: Proffered Paper Session	11.00am-12.30pm	Biomedical: Proffered Paper Session	11.00am-12.30pm	Quick Fire: Presentation Session
	Room: Auditorium 2 Chair: Maria Garefalakis		Room: Waterfront 1 Chair: Jane Hocking		Room: Waterfront 2 Chair: David Templeton		Room: Waterfront 3 Chair: Roy Chan
11.00am-11.10am	Declining hospitalisation rate of pelvic inflammatory disease, ectopic pregnancy and epididymitis in New South Wales JL Goller	11.00am-11.10am	Can a new dual detection point of care test for Syphilis be used to reduce over diagnosis of active infection in high prevalence populations? LM Causer	11.00am-11.15am	Elimination of mother to child transmission of Syphilis in Papua New Guinea - An opportunity to address the high prevalence of other sexually transmitted infections J Wapling	11.00am-11.01am	Introduction of Chapter Trainee Presentations
		11.10am-11.20am	Nurse initiated STI screening in a rural emergency department in Western Australia H Lyttle	11.15am-11.30am	Sexually acquired reactive arthritis at Sydney Sexual Health Centre 1992 - 2012 E Mason	11.01am-11.11am	Improving access to intrauterine device insertion in a single clinic visit - A pilot study J Mesure
						11.11am-11.21am	Preliminary findings from the Anal Cancer Examination (ACE) study - Acceptability of an annual anal examination amongst patients and doctors J Ong
11.10am-11.20am	Prescription rates for long-acting reversible contraception in Australia, 2008 - 2011 AL Bingham	11.20am-11.30am	Sexually transmissible infections (STI) among male sex workers in Sydney, NSW PJ Read	11.30am-11.45am	Azithromycin versus doxycycline for the treatment of genital chlamydia infection on a meta-analysis of randomised controlled trials F Kong	11.21am-11.31am	Sexual preference as a predictor of pathogen detection in 4326 cases of acute NGU V Rane
						11.31am-11.38am	The Ask Share Know Project: a research translation study of three consumer questions to enhance treatment decision making A Barratt
11.20am-11.30am	Comparison of bleeding patterns between continuous twelve month use of contraceptive vaginal ring and a low dose pill in menstrually - signalled regimen M Stewart	11.30am-11.40am	Chlamydia prevalence in adolescent Australians C El Hayek	11.45am-12.00pm	High Resolution Anoscopy - Practice makes perfect M Gunathilake	11.38am-11.45am	Suffering in Silence: How can we help women to better manage the sexual difficulties associated with antidepressant medication? C O'Mullan
11.30am-11.40am	Contraceptive use in Australia LTT Trinh	11.40am-11.50am	Unpacking Chlamydia in Victoria: Retrospective analysis of surveillance data to estimate reinfection C El-Hayek				

11.40am-11.50pm	The conscience clause in relation to termination of pregnancy service R A Hamilton	11.50am-12.00pm	HIV and Syphilis co-infections are re-infections: Trends from Victoria N Higgins	12.00pm-12.15pm	Is the stage of the menstrual cycle related to chlamydia detection? D Forcey	11.45am-11.51am	Self reported lack of nocturnal tumescence in a sample of Australian men who have sex with men with erectile dysfunction: Possible implications for etiology B Crozier
						11.51am-12.00pm	Predictors of phosphodiesterase type-5 inhibitor (PDE-5I) use in an Australian cohort of men who have sex with men (MSM) Erectile dysfunction (ED) rates assessed in an Australian cohort of men who have sex with men (MSM) B Crozier
11.50pm-12.00pm	A three year comparative study of continuation rates, bleeding patterns and satisfaction in Australian women using a progestogen only implant or hormonal intrauterine system M Stewart	12.00pm-12.10pm	Home-based sample collection increases Chlamydia retesting and detects additional repeat positive tests: A randomised controlled trial in three risk groups KS Smith	12.15pm-12.30pm	The “Let them know website”; A popular partner notification method among family planning clinicians across Australia C Harvey	12.00pm-12.07pm	Human papillomavirus among teenage men who have sex with men H Zou
						12.07pm-12.13pm	Impact of re-infections on notifications of STIs in NSW M Lam
12.00pm-12.10pm	The legal status of PDPT strongly impedes uptake among family planning clinicians in Australia J Micallef	12.10pm-12.20pm	Prevalence of sexually transmitted infections (STI) and patient characteristics of older men over 60 years of age attending a public STD clinic in South Australia C Khaw			12.13pm-12.19pm	“Funny shit about sex”: Using vulgar comedy on YouTube to reach young men with information about health sexual development A McKee
12.10pm-12.20pm	Q&A	12.20pm-12.30pm	Q&A			12.19pm-12.25pm	Mind the Gap, A Partnership Approach: Aboriginal and mainstream organisations partnering in sexual health and diversity in rural Victoria P Waples-Crowe and A Bamblett
						12.25pm-12.30pm	Q&A
12.30pm-2.00pm	Lunch Room: Exhibition and Poster Area-Exhibition Hall						

2.00pm-3.30pm	Health Promotion: Proffered Paper Session	2.00pm-3.30pm	Psycho-social: Proffered Paper Session	2.00pm-3.30pm	Aboriginal and Torres Strait Islander: Proffered Paper Session	2.00pm-3.30pm	Large Trials Update: Proffered Paper Session
	Room: Auditorium 2 Chair: Jane Tomnay		Room: Waterfront 1 Chair: Margaret Redelman		Room: Waterfront 2 Chair: Mark Saunders		Room: Waterfront 3 Chair: Sarah Martin
2.00pm-2.10pm	Active recalling increases follow up attendance rates for men having sex with men (MSM) prescribed non occupational post exposure prophylaxis (NPEP) - 2 1/2 year prospective review S Doughty	2.00pm-2.10pm	Sexual identity risk and bisexual behaviour among men in Vientiane, Laos 2010 AL Bowring	2.00pm-2.10pm	Impact of a comprehensive STI program on STI rates on the Ngaanyatjarra lands A Tangey	2.00pm-2.15pm	An increase in national Chlamydia testing rates coinciding with a national STI campaign: Use of data collected in the ACCESS Laboratory Network C van Gemert
2.10pm-2.20pm	Sex education experience of sexuality diverse and gender variant young people in Australia: Implications for educators and health professionals K H Robinson	2.10pm-2.20pm	“You’re a women, a convenience, a cat, a poof, a thing an it”: Transgender women negotiating sexual coercion in NSW male prisons P Simpson	2.10pm-2.20pm	Improving Hepatitis B management in an urban ACCHO K Dick and S Gregson		
2.20pm-2.30pm	What do we know works? Findings from a systematic rapid review of effective programs to reduce STI in young people G Brown	2.20pm-2.30pm	Patterns of adolescent sexual initiation: A cross-national comparison L Prendergast	2.20pm-2.30pm	Chlamydia and the urban Aboriginal medical service C Canuto	2.15pm-2.30pm	Increasing Chlamydia testing in general practice is achievable: An update from the Australian Chlamydia Control Effectiveness Pilot (ACCEPT) A Wood
