

AUSTRALASIAN SEXUAL HEALTH CONFERENCE

Monday 7 September 2009

MONDAY 7 SEPTEMBER

8.30am - 9.30am	Registration opens
9.30am - 11.00am	Opening Ceremony Great Hall 2, Door 8 Chairs: Darren Russell & David Jardine
9.30am - 9.35am	Introduction by David Jardine, Convenor of the Sexual Health Conference Committee
9.35am - 9.45am	Welcome to the Country by Aunty Coral Currie
9.45am - 9.50am	Opening address by Mr Murray Watt MP, Parliamentary Secretary to the Minister for Health
9.50am - 10.00am	Darren Russell, President, Australasian Chapter of Sexual Health Medicine Welcome and Introduction of the Gollow Lecturer
10.00am - 11.00am	Ian Frazer, Director, Diamantina Institute of Cancer Immunology and Metabolic Medicine, University Queensland, Brisbane, QLD, Australia Gollow Lecture: Controlling HPV associated disease: A glass half full?
11.00am - 11.30am	Morning Tea in Exhibition and Poster Area Opening in Great Hall 3 & 4; Entry from Mezzanine Level, Door 9
11.30am - 12.30pm	Plenary Great Hall 2, Door 8 Chairs: Ian Frazer & Stuart Aitken
11.30am - 12.30pm	Sjoerd van der Burg, Experimental Cancer Immunology and Therapy, Head of Laboratory of Clinical Oncology, The Netherlands Interactions between HPV and the immune system

AUSTRALASIAN SEXUAL HEALTH CONFERENCE

Monday 7 September 2009

12.30pm - 1.30pm	Lunch in Exhibition and Poster Area in Great Hall 3 & 4; Entry from Mezzanine Level, Door 9 Poster Themes: Prevention and Epidemiology		
1.30pm - 2.30pm	Trainee Session (Jan Edwards Prize)	1.30pm - 3.00pm	Oral Posters
	Great Hall 2, Door 8 Chairs: Richard Hillman & Cheryn Palmer		Great Hall 1, Door 6 Chairs: Gary Boddy & Colm O'Mahony
1.30pm - 1.45pm	Conway D - A study of provision of HIV negative test results by telephone to clients attending a sexual health service	1.30pm - 1.40pm	Gilbert J - Drop-in versus appointments for youth- Are more 'at risk' youth attending the Satellite Sexual Health Youth Clinic since it became a drop in only clinic?
1.45pm - 1.50pm	Questions	1.40pm - 1.50pm	Ryder N - Automatic SMS reminders decrease waiting time and non-attendance rate at a sexual health centre
1.50pm - 2.05pm	Bissessor M - Screening for syphilis as part of HIV monitoring increases detection of asymptomatic syphilis among HIV infected men who have sex with men	1.50pm - 2.00pm	McKechnie M - The epidemiology of urogenital microorganisms detected by a multiplex PCR-based reverse line blot assay in women attending three Sydney sexual health clinics
2.05pm - 2.10pm	Questions	2.00pm - 2.10pm	Lowe P - The correlation of symptoms with risk activities and detection of a wide range of organisms in endocervical, low vaginal and urine specimens from female sexual health clinic
2.10pm - 2.25pm	Srirajalingam M - Comparison of survey methods to access youth at a music festival- Chlamydia awareness survey	2.10pm - 2.20pm	Edmiston N - Make contact: A comparative study of contact tracing strategies for chlamydia
2.25pm - 2.30pm	Questions	2.20pm - 2.30pm	Koncz R - Content analysis eliciting the 'real' sexual health concerns of adolescent girls using an unconventional source
2.30pm - 3.00pm	Proffered Papers	2.30pm - 2.40pm	Hocking J - Trends in chlamydia positivity over time among women in Melbourne, Victoria
2.30pm - 2.45pm	Bush M - Reconceptualizing post test counselling: Provision of HIV negative results by phone	2.40pm - 2.50pm	Thomas T - Te Tuhono Tapu O Te Tangata the joining of ones sacredness to another - an Indigenous approach to sexual health promotion
2.45pm - 3.00pm	Ooi C - Review of patients diagnosed with non-sexually transmitted (STI) associated dermatological conditions attending a sexual health clinic, Newcastle, Australia	2.50pm - 3.00pm	Discussion

AUSTRALASIAN SEXUAL HEALTH CONFERENCE

Monday 7 September 2009

3.00pm - 3.30pm	Afternoon Tea in Exhibition and Poster Area in Great Hall 3 & 4; Entry from Mezzanine, Level Door 9		
3.30pm - 5.00pm	Sex Work Symposium Great Hall 2, Door 8 Chairs: Cheryn Palmer & Simon Barton	3.30pm - 5.00pm	HPV Proffered Paper Session Great Hall 1, Door 6 Chairs: Andrew Grulich & Fraser Drummond
3.30pm - 4.00pm	Rachel Sandford, Manager, Sex Workers Outreach Project, NSW, Australia Migrant, street & male sex workers	3.30pm - 3.45pm	Hocking J - Rapid decline in genital warts after the implementation of a national quadrivalent human papillomavirus vaccination program for young women
		3.45pm - 4.00pm	Franklin N - Long-term national surveillance for genital warts through Australian sexual health services
4.00pm - 4.30pm	Basil Donovan, Professor of Sexual Health, National Centre in HIV Epidemiology & Clinical Research, NSW, Australia Legal aspects of sex work across Australia	4.00pm - 4.15pm	Jardine D - A phase 1b multicentre study of HPV6 L1 virus-like particles as adjunct immunotherapy for anogenital warts
		4.15pm - 4.30pm	Hillman R - The efficacy of quadrivalent HPV(types 6/11/16/18) vaccine against HPV-related genital disease and infection in HIV negative young men
4.30pm - 5.00pm	Panel Discussion & Audience Questions: Candi Forrest, Spokesperson for Crimson Coalition, Brisbane, QLD, Australia Margaret Isaac, Executive Director, Prostitution Licensing Authority, QLD, Australia Rachel Sandford and Basil Donovan	4.30pm - 4.45pm	Turner R - Anal dysplasia screening in regional Australian population
		4.45pm - 5.00pm	Turner R - The efficacy of cytobrush cytological sampling in anal dysplasia screening
5.00pm - 6.30pm	Welcome Reception & Poster Viewing Evening in Great Hall 3 & 4; Entry from Mezzanine Level, Door 9 Sponsored by CSL Biotherapies Launch of the STIPU Guidelines by Darren Russell, President, Australasian Chapter of Sexual Health Medicine and James Ward, Program Head, Aboriginal and Torres Strait Islander Health, National Centre in HIV Epidemiology & Clinical Research and Acting Chair of the NACCHO Sexual, Reproductive Health & BBV Advisory Committee		
7.00pm	AChSHM Trainee Dinner		

AUSTRALASIAN SEXUAL HEALTH CONFERENCE

Tuesday 8 September 2009

TUESDAY 8 SEPTEMBER							
7.30am	Registration						
7.30am - 9.00am	Forensic & Medical Sexual Assault Clinicians Australia (FAMSACA) Breakfast Session: Sexual Assault Peer Support Meeting Room M1 Chairs: Margaret Mobbs & Sarah Martin						
7.30am - 9.00am	Panel: Vanita Parekh, Senior Specialist, Deputy Director, Canberra Sexual Health Centre, Forensic and Medical Sexual Assault Care, ACT, Australia Angela Williams, Forensic Physician, President of Forensic and Medical Sexual Assault Clinicians Australia, Victorian Institute of Forensic Medicine, VIC, Australia Bob Hoskins, Director, Clinical Forensic Medicine Unit, Brisbane, QLD, Australia						
9.00am - 10.30am	Plenary Great Hall 2, Door 8 Chairs: David Jardine & Marcus Chen						
9.00am - 9.45am	Simon Barton, Clinical Director & Consultant Physician, HIV/Genitourinary Medicine Directorate, Chelsea & Westminster Hospital, United Kingdom Point of Care Testing						
9.45am - 10.30am	Claudia Estcourt, Reader & Consultant, Barts and The London School of Medicine & Dentistry, United Kingdom Non gonococcal non chlamydial urethritis: Why the jury is still out.						
10.30am - 11.00am	Morning Tea in Exhibition and Poster Area in Great Hall 3 & 4; Entry from Mezzanine Level, Door 9						
11.00am - 12.30pm	Sexual Assault Symposium Great Hall 2, Door 8 Chairs: Katherine Brown & Sarah Martin	11.00am - 12.30pm	HPV and HSV Symposium Great Hall 1, Door 6 Chairs: Suzanne Garland & Cheryn Palmer	11.00am - 12.30pm	Sexual Health Proffered Papers Meeting Room M2 Chairs: Simon Barton & Sara Bell	11.00am - 12.30pm	General Practice Proffered Papers Meeting Room M1 Chairs: Jane Hocking & Jonathan Anderson
11.00am - 11.30am	Vanita Parekh, Senior Specialist, Deputy Director, Canberra Sexual Health Centre, Forensic and Medical Sexual Assault Care, ACT, Australia Sexual assault: Where are we now?	11.00am - 11.30am	Tony Cunningham, Director, Westmead Millennium Institute, Westmead Hospital and Professor of Research Medicine, University of Sydney, NSW, Australia The value of adjuvant systems in vaccines for sexually transmitted infections	11.00am - 11.15am	Ryder N - Screening for intimate partner violence in a sexual health clinic – Who does it affect and how common is it?	11.00am - 11.15am	Walker J - Methods for maximising retention of young women in a longitudinal study of chlamydia infection
				11.15am - 11.30am	Ryder N - Is screening asymptomatic men who have sex with men for urethral gonorrhoea worthwhile?	11.15am - 11.30am	Walker J - Computer reminders for chlamydia screening in general practice: A randomised controlled trial
11.30am - 12.00pm	Angela Williams, Forensic Physician, President of Forensic and Medical Sexual Assault Clinicians Australia, Victorian Institute of Forensic Medicine, VIC, Australia Injury interpretation	11.30pm - 12.00pm	William Rawlinson, Prince of Wales Hospital, Department of Microbiology/Virology, NSW Australia Developments in diagnosis of HSV and HPV	11.30am - 11.45am	Davies S - Prevalence of genital chlamydial infection among young international travellers in Sydney	11.30am - 11.45pm	Temple-Smith M - Chlamydia screening: Overcoming barriers to a complex intervention in the primary care setting
				11.45am - 12.00pm	Waddell R - Is there adequate follow up for HIV in gonococcal infection? A review of gonococcal notifications in South Australia 2007-2008	11.45am - 12.00pm	Bilardi J - GP incentive payments for the opportunistic screening of young women for chlamydia in general practice: A randomised controlled trial
12.00pm -	Antonio Quadara, Co-ordinator, Australian Centre for the Study of Sexual Assault, Australian Institute of Family Studies	12.00pm -	Catriona Ooi, Director Sexual Health, Hunter New England Area Health Service, NSW, Australia	12.00am - 12.15pm	Silver B - Developing key performance indicators of sexually transmitted infection control for Northern Territory primary health care services (STI KPI project)	12.00pm - 12.15pm	Stevens M - Ready set go: Building capacity in schools to deliver sexuality education – The value of intersectoral collaboration with community organisations.

AUSTRALASIAN SEXUAL HEALTH CONFERENCE

Tuesday 8 September 2009

12.30pm	Victim-centred crisis response: Tensions and possibilities	12.30pm	Public health implications of HPV and HSV vaccinations	12.15pm - 12.30pm	Chen M - Legislation requiring monthly testing of sex workers with low rates of sexually transmitted infections restricts access to services for higher risk individuals	12.15am - 12.30am	Doyle L - Attitudes of WA GPs to chlamydia partner notification: A survey
---------	---	---------	---	----------------------	--	----------------------	---

AUSTRALASIAN SEXUAL HEALTH CONFERENCE

Tuesday 8 September 2009

12.30pm - 1.30pm	Lunch in Exhibition and Poster Area in Great Hall 3 & 4; Entry from Mezzanine Level, Door 9 Poster Themes: Laboratory/Diagnostics, Social Research Book Launch by Colm O'Mahony						
1.30pm - 3.00pm	Sexual Dysfunction Symposium Great Hall 2, Door 8 Chairs: Jane Howard & Michael Gillman	1.30pm - 3.00pm	Chlamydia Proffered Papers Great Hall 1, Door 6 Chairs: Claudia Estcourt & Sara Bell	1.30pm - 3.00pm	Womens Health Proffered Papers Meeting Room M2 Chairs: Mekala Srirajalingam & Cheryn Palmer	1.30pm - 3.00pm	Regional Perspectives Proffered Papers Meeting Room M1 Chairs: Graham Neilsen & Arun Menon
1.30pm - 1.50pm	Chris McMahon, Associate Professor, University of Sydney, Director, Australian Centre for Sexual Health, NSW, Australia The contemporary management of premature ejaculation	1.30pm - 1.45pm	Franklin N - Chlamydia testing and prevalence at Australian sexual health clinics; the Australian collaboration for Chlamydia enhanced sentinel surveillance (access) project	1.30pm - 1.45pm	Lusk J - Mycoplasma genitalium is associated with cervicitis in a metropolitan Sydney Sexual Health Clinic Population.	1.30pm - 1.45pm	Davies S - Sexually transmitted infections among female sex workers in Manado, Indonesia using a multiplex PCR
1.50pm - 2.10pm	Georgina Whelan, Psychologist & Sex Therapist, Australian Centre for Sexual Health, NSW, Australia Treatment of PE: Considering aetiology and psychological impact on men and their partners	1.45pm - 2.00pm	Kong F - Chlamydia testing rates in general practices across Australia: the Australian collaboration for chlamydia enhanced sentinel surveillance (access)	1.45pm - 2.00pm	Lusk J - Trichomonas vaginalis: Under-diagnosis in urban Australia could facilitate re-emergence	1.45pm - 2.00pm	Bruce E - A systematic review of studies assessing risks of HIV among female sex workers in Papua New Guinea since 1980
2.10pm - 2.30pm	Kamal Touma, Medical Psychotherapist & Sexual Health Physician, NSW, Australia Don't be fooled by painful memories, it is the traumatic memories that count	2.00pm - 2.15pm	Hocking J - Accept (Australian chlamydia control effectiveness pilot): design of the pilot evaluation	2.00pm - 2.15pm	Russell D - Three years on, a review of medical terminations of pregnancy performed in a sexual health service	2.00pm - 2.15pm	Bruce E - Knowledge, attitude, practices and behaviour of female sex workers in Port Moresby
		2.15pm - 2.30pm	Regan D - Routine chlamydia screening should lead to reduced reinfection rates in the medium to long term	2.15pm - 2.30pm	Kakar S - A retrospective case note review of sex worker attendees at sexual health clinics in the Western suburbs of Sydney	2.15pm - 2.30pm	Millan J - Sexual behaviour among the adult male workers in Papua New Guinea
2.30pm - 2.50pm	Chris McMahon, Associate Professor, University of Sydney, Director, Australian Centre for Sexual Health, NSW, Australia The management of erectile dysfunction in men unresponsive to PDE5 inhibitor drugs	2.30pm - 2.45pm	Timms P - Development of a vaccine against chlamydial STD infection and disease	2.30pm - 2.45pm	Bateson D - Sex and the single woman: a survey of women using an internet dating service	2.30pm - 2.45pm	Sawleshwarkar S - An evaluation of the sexual health needs of people of Indian origin
		2.45pm - 3.00pm	Schmidt M - Promoting chlamydia testing to young women, their partners and their GPs using modern and social media	2.45pm - 2.50pm	Watson C - Recurrent vulvovaginal candidiasis: should patients just give up now?	2.45pm - 3.00pm	Discussion - Emerging issues in Papua New Guinea
2.50pm - 3.00pm	Discussion			2.55pm - 3.00pm	Discussion		

AUSTRALASIAN SEXUAL HEALTH CONFERENCE

Tuesday 8 September 2009

3.00pm - 3.30pm	Afternoon Tea in Exhibition and Poster Area in Great Hall 3 & 4; Entry from Mezzanine Level, Door 9						
3.30pm - 5.00pm	Women's Health Symposium Great Hall 2, Door 8 Chairs: Dee Archbold & Tara Heidrich	3.30pm - 5.00pm	Medical Education Symposium Great Hall 1, Door 6 Chairs: Richard Hillman & Sarah Martin	3.30pm - 5.00pm	MSM Proffered Papers Meeting Room M2 Chairs: Fraser Drummond & Stuart Aitken	3.30pm - 5.00pm	Indigenous Health Proffered Papers Meeting Room M1 Chairs: Sidney Williams & Andrew Young
3.30pm - 5.00pm	Colm O'Mahony, Consultant, Genito-Urinary Medicine, Countess of Chester Hospital, United Kingdom Under the Covers 1. Vaginal discharge, lumps and bumps made easy 2. Why men need to be understood and not improved	3.30pm - 3.50pm	Estcourt C - Learning & teaching in sexual health in 2009: A UK perspective	3.30pm - 3.45pm	Jin F - The impact of HIV risk reduction behaviours on sexually transmissible infections in HIV negative homosexual men	3.30pm - 3.45pm	Guy R - The evidence for primary health STI screening programs in remote aboriginal communities
		3.50pm - 4.05pm	Kakar S - An evaluation of sexual health medicine teaching at medical schools in Australia and New Zealand	3.45pm - 4.00pm	Chen M - Views of Australian men who have sex with men on rapid testing for syphilis and HIV	3.45pm - 3.50pm	Doyle Adams - Trichomonas vaginalis: supporting the case for routine screening in far North Queensland
		4.05pm - 4.10pm	Creagh A - Developing and implementing a sexual health option for medical students	4.00pm - 4.15pm	Curran G & Morris B - Syphilis and HIV networks in rural North West Tasmania	3.50pm - 3.55pm	Lane J & Forrester J - Aboriginal Community Controlled Health Services and Western Australian Country Health Services partnership in delivering sexual health programs in the Kimberley
		4.10pm - 4.25pm	White S - Responding to the sexual and reproductive health education needs of general practitioners in Queensland	4.15pm - 4.30pm	Goller J - Syphilis testing, diagnoses and reinfection in MSM in Victoria	3.55pm - 4.10pm	Smith K - Central Australian STI risk factor study
		4.25pm - 4.30pm	Brown K - Derm down under educating doctors about genital dermatology and genital pain using an online program			4.10pm - 4.15pm	Crouch A - Addressing sexual health disadvantage in far North Queensland indigenous communities
		4.30pm - 4.45pm	Carmody C - Clinical photography in the sexual health/HIV clinic	4.30pm - 4.45pm	Tart B - Three in the bed and someone said ... T.O.M. boys! A health promotion program addressing the needs of gay men who have group sex	4.15pm - 4.30pm	Vogler C - Providing quality sexual health care to at risk indigenous youth in a North Queensland school
		4.45pm - 5.00pm	Panel Discussion: Simon Barton, Richard Hillman, Katherine Brown, Claudia Estcourt	4.45pm - 5.00pm	Discussion	4.30pm - 4.45pm	Ahkit P - Ssssami the safe sex snake
4.45pm - 5.00pm				4.45pm - 5.00pm	Discussion		
5.00pm - 6.00pm	AChSHM Annual Meeting <i>Closed Meeting for Chapter Members</i> <i>Refreshments will be served</i> Meeting Room M1						
6.00pm - 8.00pm	How Far can we go with Antiviral Therapy for HSV?: Satellite Symposium Sponsored by Novartis Meeting Room M3						

AUSTRALASIAN SEXUAL HEALTH CONFERENCE

Wednesday 9 September 2009

WEDNESDAY 9 SEPTEMBER			
7.30am	Registration		
	Sexual Health Conference Trainee Breakfast. by the Sexual Health Society of QLD		Sponsored
	Meeting Room M1&M2		
	Chair: Fraser Drummond		
7.30am - 9.00am	Panel: Simon Barton, Clinical Director & Consultant Physician, HIV/Genitourinary Medicine Directorate, Chelsea & Westminster Hospital, United Kingdom Colm O'Mahony, Genito-Urinary Medicine, Countess of Chester Hospital, United Kingdom Margaret Hellard, Head, Centre for Population Health, Burnet Institute, VIC, Australia Brian Hughes, Staff Specialist in Infectious Diseases, Sexual Health and General Medicine. Clinical Leader Viral Hepatitis Clinical Group, Conjoint Senior Lecturer Medicine Newcastle University, NSW, Australia		
7.30am - 8.00am	Melanie Bissessor, Melbourne Sexual Health Centre, Carlton, Vic, Australia - A case of Mr. SA		
8.00am - 8.30am	Jeannie Oliphant, Auckland Sexual Health Service, Greenlane Clinical Centre, Auckland, New Zealand - A case of recurrent Hepatitis C infection – Risks of sexual transmission in men who have sex with men		
8.30am - 9.00am	Joseph Doyle, Infectious Diseases Unit, The Alfred Hospital, Melbourne, VIC, Australia - Adhesional small bowel obstruction and pelvic sepsis due to Neisseria Gonorrhoea		
9.00am - 10.30am	Sexual Health Plenary: How to Set Up an Anal Cancer Screening Program Great Hall 1, Door 6 Chairs: Steve Lambert & David Jardine	8.30am - 10.30am	HIV/AIDS Conference Opening Ceremony Great Hall 2, Door 8 Chair: David Harrich & Edwina Wright
9.00am - 9.10am	Richard Hillman, Senior Lecturer, STI Research Centre, NSW, Australia - Introduction	8.35am - 8.40am	Welcome to the Country by Aunty Coral Currie
9.10am - 9.25am	Leon Botes, Sexually Transmitted Infection Research Centre, University of Sydney and the Applied Medical Research Centre, St Vincent's Hospital, NSW, Australia How do you screen?	8.40am - 8.45am	Welcome by Australasian Society for HIV Medicine, President, Jonathan Anderson
9.25am - 9.40am	Richard Hillman, Senior Lecturer, STI Research Centre, NSW, Australia How do you manage AIN?	8.45am - 8.50am	Welcome by the Hon Mark Butler MP
9.40am - 9.50am	Jodie Landstra, Clinical Psychologist, St Vincent's Hospital, NSW, Australia What are the psychological consequences?	8.50am - 8.55am	Welcome by Vice-president of AFAO Australia, Rodney Goodbun
9.50am - 10.05 am	Jonathan Anderson, PhD Research, National Centre in HIV Epidemiology & Clinical Research, Sydney, NSW, Australia Is it worth it?	8.55am - 9.00am	Welcome by National Association of People Living with HIV/AIDS Australia, President, Robert Mitchell
10.05am - 10.20am	Marian Pitts, Director, Australian Research Centre in Sex, Health and Society, La Trobe University, VIC, Melbourne, Australia Who wants it? What men know about anal cancer	9.00am - 9.45am	David Cooper, Director, National Centre in HIV Epidemiology & Clinical Research, NSW, Australia Introduction to "A Life-Time of HIV/AIDS" and abstract themes
10.20am - 10.30am	Panel discussion - Possible ways forward	9.45am - 10.30am	Judith Auerbach, Vice President, Science & Public Policy, San Francisco AIDS Foundation, USA Addressing Social Drivers of HIV/AIDS

AUSTRALASIAN SEXUAL HEALTH CONFERENCE

Wednesday 9 September 2009

10.30am - 11.00am	Morning Tea in Exhibition and Poster Area Opening in Great Hall 3 & 4; Entry from Ground Level, Door 1			
11.00am - 12.30pm	HPV Symposium Great Hall 1, Door 6 Chairs: Fraser Drummond & Stuart Aitken	11.00am - 12.30pm	Indigenous Health Symposium supported by Queensland Health Great Hall 2, Door 8 Chairs: John Kaldor & Gary Boddy	11.00am - 12.30pm HIV/AIDS Conference Concurrent Session Theme A: Prevention - But How? Meeting Room M2 Chairs: Tony Kelleher & David Harrich
11.00am - 11.45am	Sjoerd van der Burg, Experimental Cancer Immunology and Therapy, Head of Laboratory of Clinical Oncology, The Netherlands HPV & HIV - Why do HPV-induced lesions not resolve?	11.00am - 11.30am	James Ward, Program Head, Aboriginal and Torres Strait Islander Health, National Centre in HIV Epidemiology & Clinical Research, NSW, Australia Mapping efforts to better understand the epidemiology of STIs and BBV among Aboriginal and Torres Strait Islander people in Australia.	11.00am - 11.15am Mark Connors, Chief, HIV-Specific Immunity Section, National Institutes of Health, USA
		11.30am - 11.45am	Janet Knox, Kimberley Aboriginal Medical Council, WA, Australia Evidence for primary health care STI screening programs in remote Aboriginal Communities Successful programs - Kimberly Aboriginal Medical Service	11.15am - 11.30am Petrvic J - Noncytolytic antiviral activity of CD8+ T cells forces escape in SHIV infection
		11.45am - 12.00pm	Patricia Fagan, Tropical Population Health Unit, Queensland Health, QLD, Australia Evidence for primary health care STI screening programs in remote Aboriginal Communities Programs in Far North Queensland	11.30am - 11.45am Jung S - Antibodies induced by the nonpathogenic gb virus c (gbv-c) neutralize HIV type 1 and 2. a new candidate for an innovative HIV vaccine?
11.45am - 12.30pm	Andrew Grulich, Professor, National Centre in HIV Epidemiology & Clinical Research, NSW, Australia Human Papillomavirus (HPV) - Associated cancers in immune deficient populations	12.00pm - 12.30pm	Panel Discussion Cindy Shannon, Director, Centre for Indigenous Health, University of Queensland, QLD; Mark Saunders, Policy Adviser, National Aboriginal Community Controlled Health Organisations, ACT; James Ward, Janet Knox and Patricia Fagan	12.00pm - 12.15pm Purcell D - Neutralizing antibody to HIV-1 env from hyperimmune bovine colostrum as a mucosal microbicide strategy for preventing virus transmission
		12.15pm - 12.30pm	Discussion	
12.30pm - 1.30pm	Lunch in Exhibition and Poster Area in Great Hall 3 & 4; Entry from Ground Level, Door 1 Poster Themes: Clinical and HIV (Sexual Health Conference) Contact Tracing Exhibition in Meeting Room M1 ASHNA Lunch Meeting in P4 Annual Surveillance, Indigenous and Behavioural Reports Launch in Meeting Room 2			

AUSTRALASIAN SEXUAL HEALTH CONFERENCE

Wednesday 9 September 2009

1.30pm - 3.00pm	Regional Perspectives Forum Great Hall 1, Door 6 Chairs: Arun Menon & Graham Neilsen	1.30pm - 3.00pm	Contact Tracing Symposium supported by the Government of Western Australia, Department of Health Great Hall 2, Door 8 Chairs: Basil Donovan & Heath Greville	1.30pm - 3.00pm	HIV/AIDS Conference Concurrent Session Theme B: Ron Lucas Symposium - Clinical Trials Meeting Room M2 Chairs: Tony Allworth & John Chuah
1.30pm - 2.00pm	<p>Graham Neilsen, Technical Advisor, Sexual and Reproductive Health in the Asia Pacific Regional Office, Family Health International, Thailand</p> <p>Responding to the Sexual Health Needs of Marginalised Populations</p>	1.30pm - 2.00pm	<p>Claudia Estcourt, Reader & Consultant, Barts and The London School of Medicine & Dentistry, United Kingdom</p> <p>Improving partner notification: how can we use the evidence to improve practice?</p>	<p>1.30pm - 1.45pm</p> <p>1.45pm - 2.00pm</p>	<p>Emery S - Effect of recombinant interleukin-2 (il-2) on clinical outcomes in patients with a CD4+ T-cell count of >300/mm3: Primary results of the esprit study</p> <p>Pett S - Effect of recombinant interleukin-2 (il-2) on clinical outcomes in patients with CD4+ T-cell count 50 to 299/mm3: Primary results of the silcaat study</p>
2.00pm - 2.30pm	<p>Anna McNulty, Sydney Sexual Health Centre, NSW, Australia</p> <p>Chlamydia: the Pacific response in a (coco)nut shell</p>	2.00pm - 2.15pm	<p>Liza Doyle, Manager, Policy & Resources, Australasian Society for HIV Medicine, NSW, Australia</p> <p>Overview and key issues of the DOHWA /ASHM - Contact Tracing & Partner Notification Programs</p>	2.00pm - 2.15pm	Law M - Combined analysis of the primary results of the evaluation of proleukin in a randomised international study (esprit) and subcutaneous recombinant, human interleukin-2 in HIV-infected patients with low CD4+ counts under active antiretroviral therapy (silcaat) studies
2.30pm - 2.45pm	<p>Peter Siba, Director, Papua New Guinea Institute of Medical Research, Papua New Guinea</p> <p>Sexual practices of PLWHA on ART in PNG</p>	2.15pm - 2.30pm	<p>Joanne Leamy, Contract Tracing Support Officer, Queensland Health, QLD, Australia</p> <p>QLD Contract Tracing Support Officer Program Trial</p>	<p>2.15pm - 2.30pm</p> <p>2.30pm - 2.45pm</p>	<p>Kelly M - A study of aldesleukin with and without antiretroviral therapy (stalwart): What we've learnt</p> <p>Puls R - Safety and efficacy of three different combination antiretroviral regimens as initial therapy for HIV infection: week 48 data from a randomised, open-label study</p>
2.45pm - 3.00pm	Discussion	2.30pm - 3.00pm	<p>Panel Discussion</p> <p>Katherine Brown, South East Sydney Illawarra Health; Darren Russell, President of the Australasian Chapter of Sexual Health Medicine; Claudia Estcourt; Joanne Leamy and Levinia Crooks</p>	2.45pm - 3.00pm	Discussion

AUSTRALASIAN SEXUAL HEALTH CONFERENCE

Wednesday 9 September 2009

3.00pm - 3.30pm	Afternoon Tea in Exhibition and Poster Area in Great Hall 3 & 4; Entry from Ground Level, Door 1 Contact Tracing Exhibition & Launch in Meeting Room M1		
3.30pm - 5.00pm	The Great Debate and Sexual Health Conference Closing Great Hall 1, Door 6 Chairs: Darren Russell & David Jardine	3.30pm - 5.00pm	HIV/AIDS Conference Concurrent Session Theme A: Immune Reconstitution & Activation Meeting Room M2 Chairs: Steve Deeks & Paul Cameron
3.30pm - 4.30pm	Jonathan Anderson, National Centre in HIV Epidemiology & Clinical Research, NSW, Australia Simon Barton, HIV/Genitourinary Medicine Directorate, Chelsea & Westminster Hospital, United Kingdom Bridget Haire, Senior Policy Analyst, Ethics Executive Officer, Family Planning NSW, NSW, Australia Colm O'Mahony, Genito-Urinary Medicine, Countess of Chester Hospital, United Kingdom Is PrEP better than cure? - this house believes that the benefits of HIV pre-exposure prophylaxis outweigh the risks	3.30pm - 3.45pm	Soloman A - No decay in HIV-infected naïve CD4+T-cells following antiretroviral therapy (art): a persistent long term reservoir
		3.45pm - 4.00pm	Rajasuriar R - Biological determinants of immune reconstitution following highly-active antiretroviral therapy (HARRT)
		4.00pm - 4.15pm	Lichtfuss G - HIV immune activation and the loss of signalling in nk cells
		4.15pm - 4.22pm	Sumatoh H - Evaluation of antibody levels in the prediction and monitoring of immune restoration disease*
